CONSTITUTION

NAME

Article 1. This body shall be known as the West Chowan Baptist Association of North Carolina.

MEMBERSHIP

Article 2. It shall be composed of Messengers elected by the churches connected with this body and all ordained ministers who are pastors of said churches, together with the officers of this Association, and chairmen of all standing committees. Each church of one hundred members and under shall be entitled to two Messengers, and for each additional one hundred members, an additional Messenger, provided that no church shall have more than ten messengers.

PURPOSE

Article 3. The purpose of this Association shall be to inspire, encourage, and enlist its membership in a spirit of brotherly love and co-operation, for the promotion of the entire program of our denomination; to the end that the gospel of our Lord and Saviour Jesus Christ might be proclaimed with greater power and effectiveness in our Association, our State and Nation, and unto the uttermost part of the world.

POWERS AND PREROGATIVES

Article 4. The Association shall have no power to infringe upon the sovereignty or rights of the churches. It is neither an ecclesiastical nor legislative council, nor a court of appeal. It may advise the churches and recommend measures of usefulness for their adoption, but cannot bind them in any way. However, in view of the combined wisdom, piety and intelligence of the Association, it justly claims the very highest consideration and regard for itself, its objects and its recommendations.

Article 5. Any Baptist church in good standing approving the design, objects and principles of this Association, and holding the same doctrines and ordinances, may be admitted into fellowship upon 2/3 vote of the messengers. All applications shall be referred to the Executive Committee for study. Churches desiring membership should give notice by making application one year in advance.

Article 6. The Association may dissolve its relations with any church that consistently refuses to support the design, objects and principles of the West Chowan Association. The relationship may be dissolved by a 2/3 vote of the messengers one year after irregularities have been brought to the attention of the Association.

RIGHTS AND DUTIES

Article 7. Every church shall be requested to contribute a percentage of its gifts, or so much per resident member for defraying the expenses of the Association and for direction of the promotional, education and missionary work of the Association. This percentage or amount shall be sent to the Associational Treasurer monthly by each church Treasurer.

Article 8. Every church will send to every annual session of the Association a Letter on the form adopted by the Association with such additional information as it may deem fitting.

Article 9. Any church wishing to dissolve its relationship with the Association in order to transfer to another association may do so with a majority vote at any regular Associational meeting.

ORGANIZATION

Article 10. The Officers of this Association shall be: a Moderator, a Vice-Moderator, a Clerk, a Treasurer, a Superintendent of Sunday School, a Director of Training Union, a President of Brotherhood, a Chairman of Evangelism and a Director of Music. They shall be elected at each annual session on the first day. The term of all Officers shall commence at the conclusion of the annual session at which they are elected and continue until their successors are elected at the next annual session of the Association. The Moderator and Vice-Moderator may not be elected for more than two consecutive years. All nominations may be made by the Commtitee on Nomination.

DUTIES

Article 11. It shall be the duty of the Moderator to open meetings punctually at the appointed time; to enforce the rules; to enforce order and to exercise all prerogatives of a presiding officer according to Kerfoot's Rules of Order.

Report Of The Secretary Of Promotion

During the past year, there has been noticeable progress in the spiritual life and numerical gains in our Association, and the strengthening of our churches in many areas. More of our churches and their leaders are taking advantage of our Sunday School, Training Union, Brotherhood, Evangelism and other meetings which provide instruction and inspiration. Your Secretary has assisted in the planning, preparation and promotion of these meetings through his conferences with leaders and committees.

Much of the work of the Secretary has also been in personal interviews to encourage and assist. Every Sunday he has been teaching, preaching or visiting in one of the churches, and on other days conducting prayer meetings, meeting with teachers and officers, conducting study courses, assisting in the ordination of pastors and deacons, broadcasting over the radio, or working with a church in surveying a community. Every month he sends out over 980 copies of THE WEST CHOWAN BAPTIST, the Associational Bulletin, to all church leaders and officers. Hundreds of letters, folders and cards are also distributed, advising of the work and plans, and encouraging the churches to progress and grow. Last year he traveled over 27,000 miles in the Association, and attending State and Southern Baptist meetings.

Our Associational work is missions and during this past year there have been opportunities to conduct services in our prison camps, and to help get the work started at Odom Prison.

An Associational Committee is now working with the Baptist State Convention to start a mission work near Odom Prison to minister to the spiritual needs of the personnel and their families who live, or will live, in this area.

Please pray for me as I seek to serve the Lord, for I represent you in this Associational work, as I try to encourage our churches to be more faithful and fruitful.

Respectfully submitted,

Henry W. Stough

Following this report Mr. Stough presented the essentials of the "Church Achievement Program" as formulated by the Church Development Department of our State Convention.

10. The Moderator brought the following report and moved its adoption.

6. The financial support of the Associational work, noting that more and more of the churches are responding to the support of the work by giving at least seventy-five cents per resident member.
7. Plans for the enlarged Executive Committee for the coming year.

Respectfully submitted,

OUR PUBLICATIONS HELP TO DEVELOP MATURE CHURCHES

The necessity for knowledge and understanding throughout the world is imperative and inevitable. Never before in the history of mankind has so much printed material flowed from the presses of the world into the homes and lives of people. In this mass of printed material we can find inspiration, power, and courage if we channel into our homes that material which will enrich and ennoble life.

Fortunately the Baptists of North Carolina publish a paper which brings courage, inspiration, and information to all who read it—namely the Biblical Recorder. We also have another very fine paper available for our homes, Charity and Children. Perhaps no other area has such a fine collection of Christian literature as we have today for every age, spiritual interest, and need. The purpose of it all is to inform, enlist, teach and, inspire the people for greater service in the work of the Lord.

Remember good reading brings knowledge, and knowledge brings understanding. Out of understanding comes the power to live. Read our Baptist literature. Let it come into your churches and homes and your life will be larger and fuller.

Respectfully submitted,
R. P. Martin

33. In the absence of the Rev. J. B. Dailey, the following report was received on the Moderator's motion.

THE CHALLENGE OF THE AGING IN NORTH CAROLINA

North Carolina Baptists are ministering to the needs of about 125 residents and will soon be able to accommodate 30 more. A new Home in Eastern North Carolina, the Hamilton Home, will be ready around the first of the year.

We are now in the eleventh year of operation, and we are aware that Baptists are concerned and interested in this work, for the special gifts are running 5% ahead of last year's contributions. This is encouraging, and we are grateful for your liberality. Yet, with a present waiting list of about 130, and indebtedness that must be liquidated before there can be further expansion, we would urge your continued interest and support. Lack of space is the only thing to hinder any needy aging person from coming to the North Carolina Baptist Homes. Let us, therefore, dedicate ourselves to provide more space as soon as possible.

There are four things you can do:

(1) Pray that God will lead and bless this work.

(2) Give liberally from a heart of love and compassion.

(3) Help worthy persons to make application to the Homes.

(4) Visit the Homes, meet the residents, and see for yourselves the Christian atmosphere and spirit that prevails.

Respectfully submitted,
James B. Dailey

Brotherhood Report

Our Brotherhood has made rapid progress during the past year. The Executive Planning Committee has held regular meetings with discussions on the four main emphases: Royal Ambassador Work, Christian Witnessing, Personal Stewardship and World Missions, with special emphasis on "Christian Witnessing" because winning lost people to Christ is our main concern.

Each church's Brotherhood has a leader for these activities and the programs are centered around these four areas, thus the work of the Church is the work of the Brotherhood. Every church should have a Brotherhood, which promotes the work of the church in reaching the lost, training our boys and young men in Christian living, soul-winning, stewardship, service and missions around the world.

We believe that the Southern Baptist Layman's Conference promoted by the Brotherhood and held in Memphis in September, brought new light to pastors, laymen and churches throughout the Southern Baptist Convention as to what Brotherhoods are doing to promote this great work for our Lord and Master. Several carloads of men from our area attended the conference.

In our region we had a splendid rally at the Ahoskie Armory on April 24th when our State Convention President Charles B. Deane spoke to our men on "Christian Living." Dr.

Taylor Daniel also spoke on the "Southern Baptist Protection Plan." Nearly 500 men were present in this Regional Meeting.

Plans are being made for Associational Brotherhood Meetings as follows: Monday, November 20th, 1961 at the Colerain Church, Monday, February 26th, 1962 at the Creeksville Church, and Monday, November 19th, 1962 at the St. John's Church.

The Brotherhood of our Association sponsored two weeks of Royal Ambassador Camps at Mount Gould this summer which was a great success. Under the Royal Ambassador set-up, plans are being formulated for even better camps in 1962.

If we, the Associational Brotherhood Officers, can be of service to any church desiring to organize a Brotherhood, please feel free to call upon us.

Respectfully submitted,
David Holloman

45. W. E. Carter moved the adoption of his report.

Report on Evangelism

These are tremendous days in which we live. Billions are being spent for getting men to the moon, while comparatively little is spent for getting men to God. Multitudes sit in darkness and many in despair while the forces of darkness move constantly in a dedicated abandon toward their own objectives. The number of hopeless people—hopeless because they do not know Christ—grows daily. The world's population is increasing by 48,000,000 per year. All religions are winning only 10,000,000 per year.

Many of these lost people live in the territory of our Association. They live near our churches. In regard to their need for God they have been deluded by the powers or darkness, and numbers of them disillusioned by the apathy and lack of dedication to Christ on the part of professed Christians. In this desperate day, God's people must wake up to the fact that "business as usual" will not suffice. Surely this is the time for total dedication to Christ in His purpose of winning the multitudes to God.

Summary of evangelistic efforts for the West Chowan Baptist Association during the church year, 1960-1961:

Baptisms	357
Letters and other additions	326

SUNDAY SCHOOL REPORT

The Associational Sunday School Organization began October 1, 1960 with a full slate of officers and leaders; the Superintendent promoted the over-all Sunday School work

of the Association with the help of the officers and leaders of the fully organized Bertie, Hertford, and Northampton Sunday School Groups.

Bible Study Week, January 2-6, 1961 was promoted using the book "Studies in First Corinthians," and approximately 30 churches took part. Sunday School Group Schools were held at the Cashie, Ahoskie First and Creeksville Churches, January 23-27, featuring Sunday School Administration (The Principles and Methods of Sunday School Work) with an average of 130 officers and leaders from 41 churches attending. One hundred forty one awards were earned in these Group Schools.

An Associational Sunday School Officers Training Meeting was held at the Aulander Church on March 21 with the Group Superintendents leading their group-leaders in a study of "The Standard of Excellence for Baptist Sunday Schools."

The Vacation Bible School Clinic was also held at the Aulander Church, April 12, with Dr. Herman Ihley and Mrs. Myra Motley leading the conferences. There were 58 Vacation Bible Schools, and Creech Memorial and Galatia reported "Standard Schools."

Sunday School Group Meetings were held at the Lewiston, Winton and Jackson Churches, April 25, with the conference leaders using the theme, "Building A Standard Sunday School." A Bertie Group Meeting, held at Colerain, used the theme "Purposeful Teaching and Visitation" on July 25.

A Training-Planning Meeting for Associational Sunday School Officers was held at the Aulander Church, September 5 with John Privott, Regional Sunday School Superintendent, leading the group in preparation for the annual "Action Night." This "Action Night" program was held at the Ahoskie First Church, using the theme "Out-reach for the Unreached—Spearhead for Advance." There were 253 officers, teachers, leaders and visitors persent, with 42 churches represented. At this meeting, the 1961-1962 goals were presented and adopted for a greater Sunday School Year than ever before.

During this past year, Sunday School enrolment increased 12,533 members to 12,652 members, and hundreds of awards have been issued for textbook study.

The Associational Sunday School organization has sponsored preaching services and Bible study classes in the prisons in our area. Progress is being made at the new Odom Prison by J. B. Dailey and Floyd Key, in teaching and counseling with the personnel and prisoners there. There are also preaching services at the Union Prison two Sundays monthly, with pastors from Hertford County leading the services. Workers from Siloam Church are also holding services at the Windsor prison.

47. Mrs. William Timberlake brought the following report.

MUSIC REPORT

All churches use Music in Worship and educational activities and there is no substitute for training. Your Associational Music Committee again in 1960-61 has offered you the best Music program and courses available. Our Carol Sings in December were poorly attended, possibly because of the extremely cold weather. This year we are asking that each Church have its own Carol Sing, or perhaps two or three Churches would like to plan a Joint Sing. If so, your Committee would be happy to send suggested programs to you or help you direct such a program.

There was much better response to the Associational School of Music held in Woodland in January. Sixteen Churches were represented with 116 average attendance. Sixty-one persons applied for awards. We were pleased with the enthusiasm that prevailed throughout the School.

In April, we presented a program of the Church Music Ministry in the Buckhorn Church. The Woodland Jr. Choir contributed two numbers to the program. That same day "The Beatitudes in Hymns" was presented in the Meherrin Church.

Three members of the Music Committee attended the State Music Conference at Caswell in July. Two of them, Mrs. William Lawrence and Mrs. L. C. Pinnix, were members of the faculty. After attending the conference it was decided that we concentrate efforts on a large Central School of Music in 1962. The second week in February has been designated as the

time. Announcement of the hour, place, and directors will be made shortly.

Two pianos have been given to the Odom Prison Farm this year for which we are grateful.

I mention the Regional Choir Festival last in the hope that each of our churches will begin now to prepare to participate in this event at the First Baptist Church in Elizabeth City on February 19th. This past year two choirs, under the direction of Mrs. L. C. Pinnix, were the only participants in the Choir Festival.

We hope more choirs will participate this coming February.

Respectfull submitted,
Mrs. William Timberlake

48. Robert O. Brown brought the following report.

Royal Ambassador Report

This has been a year of preparation and advancement. The Royal Ambassador Program has been revised, and an entirely new type of missionary program has been prepared for our boys.

Within our Association there has been an attempt to advance the R. A. program. The basic attempt was the establishing of our first R. A. Camp at Mt. Gould on the Chowan River. The weeks of June 19th and 26th were selected. Seventy-one boys and twenty-one adult workers participated. All the boys who attended received the "Hiker" award.

This coming year we have the task of setting up this new R. A. program in each of our 60 churches. No matter how few boys we have, we should have enough concern about their future outlook on Christian service to provide them with this missions program. We will determine by our service, or lack of it, whether they shall build on a Christian, missionary-minded foundation, or on a worldly, self-centered foundation.

This year to meet the needs of our large number of boys, we are planning to expand our camp schedule to three full weeks. We regretted turning down so many boys last year. We do not intend to do the same this year. We have scheduled the camps for June 11-15, 18-22, and 25-29.

These camps can be a vital part of your church's R. A. program. Urge your boys to attend the camp, and your church to adopt the new program.

Respectfully submitted,
Robert O. Brown

49. John Davis read his report and moved its adoption.

TRAINING UNION REPORT

The Training Union Program of the West Chowan Association has moved ahead again this year. This has been possible through the cooperation of the Training Union Directors of the local churches, the pastors, the Secretary of Promotion, and many others. The aid of those who serve as Associational Officers has added immeasurably to the accomplishments of the year.

In October, the Associational Training Union sponsored three Group Training Schools for Training Union Leadership. They were held at Meherrin, Askewville, and Lasker Churches. The State Convention Training Union Department sent several leaders to supplement those who were secured locally. All who attended counted these schools very worthwhile.

Included in the Association-wide emphases was the "Fall Youth Night" Program at the Kelford Church. This was the first time that a Youth Rally had been held in the fall in addition to the regular Spring Meeting. The Kelford people went out of their way to provide their lovely sanctuary, and then a place for recreation and delicious refreshments. The attendance for this meeting definitely indicated the desire of our youth for such a meeting twice a year. The Rev. Bill Smith, Baptist Student Union Director at Duke University, was the speaker.

"M" Night, held at the Murfreesboro Church in December, broke all previous records for attendance. Thirty churches were represented with 501 persons in attendance. Greens Cross Training Union again won the attendance banner with 69 present. The Rev. Harold Cole, State Baptist Student Union Director brought the message. During the program, the various Associational Leaders promoted the "Speech Tournaments" to be held in the spring.

In March, 1961, our Training Union Tournament was held at the Buckhorn Church. There was a good response on the part of our people. More local churches had local tournaments and there was new interest indicated in the Association-wide Tournament. Our thanks again must go to the local leaders and the Associational Department Leaders for a fine work accomplished.

On April 8th, in the auditorium at Chowan College, the Spring Youth Rally was held. Attendance was good, as the Youth, under the direction of Dr. Edgar McKnight, attended seminars and heard Dr. Tilman Keith Edwards, medical missionary to Nigeria, who brought the message.

It is sincerely believed that our Association is becoming more Training Union conscious. There was a slight increase in membership this year, increasing from 2258 to 2277. However, there is much yet to be done, many more churches to be led to start Training Union work, and more people to be enlisted in the existing Unions. With patient persistence, and God's help, those who believe that Training Union is vital in the Kingdom's Work will continue to try to do the job. Your prayers will aid in this task immeasurably.

Respectfully submitted,
John D. Davis

50. The Association sang "O Jesus I Have Promised."

51. Randolph Phillips brought the report of the Committee on Committees which was composed by these persons: C. G. Maddrey, Chrm., Z. V. Futrell, W. C. Parker, R. E. Williford, R. Phillips, and Mrs. P. G. Reid. This report is included in the Associational Directory. It included all Standing Committees and the Committee on Christian Education Advance.

52. The Place and Preacher report was brought by E. Len Weston. The place of the next Associational Meeting was to be at Chowan College on October 30th, and Cashie Baptist Church, October 31st. The preacher will be John D. Davis. The Committee consisted of E. L. Weston, Chrm., Rowland Pruette, W. W. Porter.

53. The Resolutions Committee was composed of Arba Godwin, Mrs. Frank Pierce and Mrs. H. W. Stough who read the report.

RESOLUTIONS REPORT

Whereas the Seventy-ninth Session of the West Chowan Association, meeting in the First Church of Ahoskie, and the Aulander Baptist Church, have proved to be inspirational, informative and helpful,

Therefore be it resolved that appreciation be expressed to:

1. The program committee,
2. The Moderator, Promotional Secretary, and other officers,
3. To the speakers both local, and visitors,
4. For the use of the facilities and the warm reception of the Ahoskie and Aulander churches,
5. To the ladies of Menola, St. Johns, Union, Askewville, Connaritsa, Horton's, Oak Grove, and Pleasant Grove churches who provided such delicious and abundant food,
6. To those who made possible the worshipful music,
7. That we assure our Associational Officers, our Secretary of Promotion, and our leaders in our organizations of our prayers and cooperation with them during the coming year that we may have the best and most fruitful year.

Respectfully submitted,
Resolutions Committee

54. The following resolution was presented as a separate report by the Resolutions Committee and so adopted.

SPECIAL RESOLUTION

Whereas, Hertford County is presently faced with an election on the question of the establishment of A. B. C. stores,

Therefore, be it resolved:

1. That the West Chowan Baptist Association go on record making clear its stand in opposition to the establishment of such stores in Hertford County, and
2. That we assure the people of Hertford County of our prayerful support in their effort to defeat the establishment of such stores.

55. Henry W. Stough made the following motion: That the Association request the Executive Committee to continue the investigation of the possibilities of mission work near Odom Prison, and to report at the next session of the Association.

56 W. E. Carter, seeking to amend Article 10 of the Constitution, limiting the length of service of the officers of the Association to five consecutive years, was ruled out of order in consequence of Article 22.

57. Mrs. Gilbert Whitley brought the Memorial Service.

Memorial Service

"God is in His holy temple;
Earthly thoughts be silent now,
While with reverence we assemble
And before His presence bow—
He is with us now and ever,
When we call upon His name,
Aiding every good endeavour,
Guiding every upward aim."

We would pay tribute today to all those throughout our association's history who have served so faithfully. To those in the days gone by who suffered and toiled to bring our churches into being, we pay special tribute and to those who laid the foundation for an association as fine as ours.

May we understand that the greatness of our developing mature churches has been accomplished because people have been true to heart, honest in purpose, loyal in their efforts, because of their love for Jesus Christ.

I am sure each of you can go back to your respective churches and certainly when you enter the sanctuary memories of many will come to your minds of the outstanding things done for the cause of Christ. Much tribute is to be paid to those.

And so, we recall in grateful remembrance today, those who have died this year, whose lives were an honor to their churches and to this Association and who have passed into the great beyond."

The names of Our Beloved Dead were read and Mrs. Whitley led us in prayer to conclude this Memorial Service.

58. The Moderator expressed his thanks to all those who had assisted him during his term of office and those who had contributed to this meeting.

59. The Association was adjourned with the Benediction being pronounced by the Rev. Oscar Creech.

How The West Chowan Association Came To Be

1. The Kehukee Association was organized November 9, 1769 (according to Paschall). Sandy Run (then called Bertie was the only West Chowan church in the organization.

2. In 1806, the Kehukee was divided at the Roanoke River, North of the River in North Carolina became the Chowan Association. The following West Chowan churches were in the new organization: Ahoskie, Sandy Run, Bethlehem, Cashie, Meherrin, Ross (then called Ross' Meeting House), Colerain (then called Wiccacon).

3. In 1883 the Chowan Association divided at the Chowan River and the three counties between the Chowan and Roanoke Rivers became the West Chowan Association. Twenty-eight churches formed the Association.

The Kehukee was probably the fourth Baptist Association in America. The Philadelphia formed in 1707 was first; the Charleston (S. C.) in 1751; the Sandy Creek (around Sanford) in 1758; and the Kehukee in 1769.

1. The Promotion committee should actively promote the Associational Organizations as the Sunday School, Training Union, Brotherhood, Woman's Missionary Union, and Music.

2. In publicizing and stressing the Associational and Group meetings, such as Sunday School and Training Union Group Schools, the Associational School of Music, and Missionary Union and Brotherhood Meetings. Publicity for these meetings should be released to the press and the radio.

3. Members of this committee should be available to strengthen these activities in the local churches when they are so requested.

4. The "Church Achievement Plan" should be stressed, and every church urged to participate. Churches may enter if they apply before January 1, 1963.

The Secretary of Promotion stated that he is available and anxious to help this committee in every way possible.

The *Promotion* committee promoted the following activities during the year:

1. The Finance committee should encourage support of our West Chowan Associational work, asking each church to give at least $1.00 per resident member and to plan an adequate Associational Budget.

2. This committee, through its members, should explain to any interested church, "The Forward Program of Church Finance," and possibly have an Associational Clinic on this activity.

3. This committee should encourage and assist, if necessary, the "Fact-Finding Committee about Pastors' (and Associational Workers) Salaries", which is to be appointed by the Moderator.

4. The committee should offer its services to the churches to explain church budgets, retirement plans and other forms of stewardship.

a. An Associational wide Simultaneous Revival which was held April 15-29.

b. Clinic on Evangelism under the direction of Mr. Julian Hopkins, State Secretary of Evangelism.

IV. The *Missions* Committee with Mr. Albert Sam Lassiter as Chairman. It is composed of nineteen members. It is the responsibility of this committee to work in the following areas:

1. The Mission committee should stress new work and missions wherever possible.

2. To encourage the churches to make Church-Community surveys.

3. To urge each church to enroll in the Schools of Missions

4. To promote the study of "World Missions" in each church.

5. Attention should be given immediately to the prospect of the work at Odom Prison, and the possibility of an Associational Mission there, with one of our pastors as a chaplain to the inmates, and a pastor to the families that are moving there. This work can receive financial support from the Baptist State Convention.

6. Teaching, counseling and preaching should also be promoted at the Union and Windsor Prisons, and in the several "Rest Homes" in our area.

7. This committee should also investigate the possibilities of our Association sponsoring a mission outside our Association as a part of our "Pioneer Missions" under the Home Mission Board.

The *Missions* Committee promoted the following work:

a. Requested the State Mission Board for $900.00 to aid the work at Odom Prison and for $600.00 to aid the work of the Association. The same request has been made for next year except the request for aid to the association has been cut to $480.00.

c. Services are being held in Windsor and Union prisons and the Northampton County Home.

V. Committee on *Christian Education Advance Through Co-operative Giving* with Mr. Roy A. Hollowell as Chairman. It is composed of nineteen members. The area of activities for this committee is as follows:

1. This committee should understand clearly the purpose and objects of our denominational Co-Operative Program and how it supports all of our various missionary, evangelistic, educational and beneficient activities.

2. This committee should also understand the North Carolina Plan for supporting our colleges through increased giving through the Co - Operative Program and how this will benefit all of our colleges and how it will help our Chowan College. Tracts and other information concerning this can be obtained from the State Baptist Headquarters in Raleigh.

3. This committee should discuss ways and means of getting into every church with information about the Co-Operative Program, and the suggested plan of increasing gifts by 35 percent each year. As opportunities for these speaking engagements open up, perhaps the pastors on this committee can exchange pulpits with the pastors of the inviting churchs, and the lay members of this committee can absent themselves from their churches so that they can promote this plan of increased giving and faithful stewardship.

This committee made the following recommendations:

a. That each church of the Association be asked to give

$1.00 per resident member to Chowan College and its Advancement Program.

b. Each church is asked to increase its gifts to the Co-Operative Program by 35 percent in order to assist all of the colleges of our State Convention.

OBSERVATIONS

The enlarged Executive Committee has resulted in an enlarged vision of the work that can be done by our Association. It has also brought it's members into closer contact with the work of the Association and with our Promotional Secretary, Mr. Henry Stough, who is leading our Association in a most effective way.

Report Of The Secretary Of Promotion

Our West Chowan Association went through a significant change this year in the increase and scope of its work, and has been more active in establishing new missions, strengthening the churches, and promoting greater stewardship. With an enlarged Executive Committee composed of officers of the Association, resident pastors, and a lay person from each church, there was better representation of our churches, and consequently a warmer fellowship and greater results from our work. The Executive Committee being sub-divided into five subcommittees, your Secretary of Promotion worked with them, advising and assisting whenever possible.

These committees are Promotion, Evangelism, Missions, Finance and Stewardship.

During this past year, your Secretary helped to promote Sunday School and Training Union Group Schools, a School of Music, a Church Finance Clinic, and Royal Ambassador Camps. He helped the Ross, Bethany, Askewville and Riverside Churches in church-community surveys. He taught study courses in four churches, and otherwise spoke in 44 of our 60 churches on some phase of our World Mission Work. He met with the leaders of our Brotherhood and Royal Ambassadors, and helped them plan their work. During the year, he met with innumerable committees, such as pulpit, finance, nominating and other committees, traveling over 30,510 miles.

A great deal of office work is involved in his duties. More than 975 copies of "The West Chowan Baptist" are sent out each month, in addition to thousands of cards, letters, tracts, and other material. Many personal conferences are held to enlist and encourage the workers from our churches.

There are many meetings outside the Association which he is required to attend, in view of the fact that our Association receives financial help from the Baptist State Convention; he also has helped in Associational Surveys and Schools of Missions which are a part of our State Convention work.

Please continue to pray for me as I seek to serve the Lord and help our churches in the West Chowan Association.

Respectfully submitted,
Henry W. Stough

REPORT ON CHRISTIAN EDUCATION

It is with a deep sense of gratitude that I bring this report.

Almost every year since the college reopended in 1949 there has been noticeable progress, and for the past two years the progress has been remarkable. In September of 1951, the year that Dr. Mixon came to be president, there was considerable joy that there were 87 students for the opening; today there are 93 students form the West Chowan Association;—Bertie with 18, Hertford with 35 and Northampton with 40. The total enrollment this fall is 773, 100 more than last year; and in addition the college has an Extension Department at Roanoke Rapids with 70 students enrolled, or a total of 843. There are 65 counties in North Carolina represented, 14 states and 1

foreign country. The college has 43 well trained faculty members, which provides a 1 to 18 faculty ratio, and this is good. There are 5 new faculty members who have been added this fall.

During the past summer the Graphic Arts Building has been enlarged and brick veneered at a cost of $40,000. The North Carolina Press Association is providing $25,000.00 of this. The Science Building also has been brick veneered and that brings it in line with the other buildings and adds to the beauty of it. Many other improvements were made on the campus during the summer.

Financially the College has had a good year. It has operated in the black and obligations for buildings and equipment have been met promptly as they became due.

Appreciation is hereby expressed to the churches of this Association for their liberal Christian Education Day offerings. This offering helped to make the good year for the college. Last year, July 1, 1961 to June 30, 1962, 50 of our 60 churches in the West Chowan contributed to the college $8,194.71; the total offering from the churches of the State was $13,132.00. The West Chowan gave exactly two-thirds of this offering of the State. This is characteristic of the churches of this Association to our college. We urgently request every church to have a part in this worthy offering this coming year.

Our Board of Trustees under the wise leadership of our beloved President is launching a very ambitious effort for two new buildings for next year. Our President will tell you about them. We earnestly solicit you as an individual to continue your liberal support of the college.

REPORT OF THE BAPTIST HOSPITAL

The services of our Baptist Hospital are subject to heavy demands which grow heavier year by year. Last year the already overcrowded clinics of the Out-Patient Department received a new high of 83,000 visits from 96 counties of the state, sixteen other states, and two foreign countries. Two-thirds of these were by our Baptist people.

One of the most pressing needs is the enlargement of the facilities of the Out-Patient Department. Along with this is the urgent need for a building to provide adequate and unified facilities for the Hospital's eight schools for the training of skilled nurses, technicians, and other medical personnel, all of whom are in short supply and are essential to good medical care in our local hospitals and communities.

The new Progressive Care Center is attracting the attention of hospital authorities over the country. Patients have been most pleased with it. The trustees and administration greatly regret that the Hospital does not have sufficient funds to permit the admission of Service Patients to this fine facility.

The Pastors Library now contains well over 100 volumes among the best books in various fields of Christian thought and pastoral work. It can be of great value to pastors and they are invited to use it. It is located in the Medical School Library.

The care of Service Patients remains at the heart of the work of the Baptist Hospital. In cases where help will be needed on the hospital bill, it is extremely important that this be made known in advance and the arrangements be made when the patient is admitted to the Hospital. When appointments are requested for examinations it is necessary to let the Hospital know if the person needs to come through the Clinic, or if he will come as a private or full-pay patient. If a doctor is making the arrangements for a patient he should be told to make clear when he calls or writes if it is a Service or Clinic Patient. Mother's Day money cannot be used for Private Patients.

The Mother's Day Fund is the foundation of the financial aid given Service Patients. The Hospital tries to help the most needy cases as much as possible, but the funds have not been sufficient to give as much as is needed in many cases. In other cases of real need it has not been able to give any help, except the free services of the doctors and reduced rates on other items, such as X-rays, which consideration is given all Service Patients. *We must remember that the help given is limited by the Mother's Day gifts of our churches.*

The Hospital has prepared a full and attractive Information File Folder covering all of these matters in our relations with the Hospital. A copy is being mailed to all our pastors and as-

sociational missionaries. We urge you to acquaint yourself with this, keep it in your file and refer to it when questions arise and when arrangements are being made for patients to go to the Hospital.

Respectfully submitted,
Randolph Phillips
Hospital Representative

REPORT ON NORTH CAROLINA BAPTISTS HOMES FOR AGING

In the last few years we Baptists have become increasingly conscious of the older people in our midst, and aware of their needs. Realizing that Christ calls us to minister definitely to them in His Name, we are seeking to do more about it. The Baptists of North Carolina began this ministry twelve years ago and have at present two homes in Winston-Salem, one in Albemarle, and one, the newest, in Hamilton. The Hamilton Home received its first resident on June 5, and now has 19 residents. Perhaps within the next month every available room will be filled and there will still be many on the waiting list.

Our ministry to the Aging began with 20 residents, and now we are able to minister with loving care to 130 persons in our four Homes. This is encouraging, but the need for more space is most urgent and pressing, as there are today 150 applicants seeking our care.

The Special Day offerings from our churches are at an all-time high and are likely to go beyond all previous records by the end of this year. We want to express our sincere gratitude to all who have had a part, and urge that you continue to be as liberal as possible to this worthy cause. Many of the Residents who live in our Homes, in fact about 90 percent are financially needy people and are sustained largely by the Special Day Offering from the churches each year.

"Cast me not off in the time of old age," the plea of the elderly people in our midst, is one that cannot be lightly brushed aside. The challenge is ours; it is a high and holy one. Let us accept it in the name of Christ.

There are many ways for the Churches of this Association to strengthen the Home in Hamilton. You will bring joy as you visit individually and in groups, sharing programs and

talent with us. Please get in touch with the Supervisor so you can be booked for a definite time. The Home, however, is open at all times to visitors for a tour of the facilities. Pray for us, that we may minister with the loving concern that will honor Christ.

Respectfully submitted,
J. B. Dailey, Supervisor, Hamilton Home

REPORT FOR THE AMERICAN BIBLE SOCIETY

Since its founding in 1816 the American Bible Society has been engaged in translating, publishing, distributing, and encouraging the use of the Bible. Its work is now carried on in 75 countries and territories and on 5 countinents. Some idea of the achievement of the Society can be seen in the distribution of over 500,000,000 copies of the Scriptures in its 146 years of operation.

The American Bible Society actively supports the work of Southern Baptists, as it also helps other denominations. It assists missionaries in translating the Bible on their respective mission fields. It publishes Bibles without commentary. It distributes Bibles without profit, and in many cases below the cost of publication. All of this is done to support worldwide mission work.

As our Southern Baptist missionaries depend on the Bible Society for Scriptures, so the Society depends on the churches of the Convention for financial support. State conventions, as well as the Southern Convention, have adopted resolutions encouraging gifts to be made to the Society. These gifts can be made through the State convention offices and designated for the American Bible Society. To insure that such gifts are made, messengers to this associational meeting can make sure that the financial committees of their churches include an appropriation for the Society in their budget proposals.

Admittedly, many demands are already made upon churches; and frequently some of these requests have to be denied. But one thing we cannot fail to do in a world that is severed by so much falsehood is to keep the truth of God available in

the form of the Holy Bible. This is why it is appropriate to give annual recognition and encouragement to the work of the American Bible Society.

Respectfully submitted,
Donald J. Dunlap

THE NORTH CAROLINA BAPTIST FOUNDATION

The North Carolina Baptist Foundation was authorized by the Baptist State Convention in 1919. The Board of Directors organized for business in 1920. From the period of the organization until the present, the Baptist Foundation has had a rather irregular promotion.

The Committee of 25 recommended to the State Convention in 1959 that the Baptist Foundation be fully staffed and activated. It requested the Convention to adopt a budget providing for a full-time executive secretary, with the necessary travel, office expenses, etc. It was not until July 1 of this year that a full-time executive secretary was employed. For the past few months, Mr. Peyton J. Brown has served as Interim Director, without remuneration. The total assets of the Foundation as of June 30, 1959, were $245,131.32. The total assets as of June 30, 1962, were $303,186.66. In these past three years our total assets have gained $58,055.54. This gain has largely been due to the Interim Director and our present chairman of the Board of Trustees, Mr. Brown.

What is the Baptist Foundation? The North Carolina Baptist Foundation is an incorporated agency of the Baptist State Convention of North Carolina. It was created by the Convention for the purpose of procuring endowment funds and for administering said funds for all institutions and agencies owned and controlled by the Convention. It is independent of the cause it serves, but committed to its best interests. It is not a competitive agency, but a service agency dedicated to the task of undergirding all our Baptist work.

Funds usually come to the Foundation through one of five channels:

(a) Through a *CHRISTIAN WILL.* In his will a person leaves all or part of his estate with the Foundation for some

Baptist cause. Of course, the Foundation then receives its shares when the estate is settled.

(b) Through a *LIVING TRUST*. A person makes a donation to the Foundation while he is living. The Foundation then administers the fund and directs the income to the Baptist agency of his choice. This allows the donor to see his *gift* at work.

(c) Through a *MEMORIAL TRUST*. A person makes a gift to the Foundation in memory of a loved one and instructs the Foundation to place the income from it to one or more Baptist agencies.

(d) Through a *LIFE INCOME TRUST*. A person makes a gift to the Foundation and specifies a Baptist agency as beneficiary, but requests the income for himself as long as he lives. This permits him to receive the earnings to the end of his life and to know the beneficiary of his charity after his death.

(e) Through *LIFE INSURANCE*. A person takes out a policy in some amount in the name of the Foundation and designates the Baptist cause as irrevocable beneficiary. The premium he pays is then tax free as a charitable gift.

RECOMMENDATION:

The Finance Committee recommends to the West Chowan Association that we ask each church to support the Associational Budget on the basis of $1.00 per resident member per year for the year 1962-63.

PERTINENT INFORMATION:

It is practically impossible to adequately support the Associational Budget on the present basis of 75c per resident member. This accounts for the financial problems we have faced for a long time.

The churches have responded in a commendable way in their support with about an 80 percent response. This is high for a volunteer democratic setup such as we have had.

There would have to be 100 percent response to ever hope to reach our budget needs at the rate of 75c per resident member.

With 80 percent response at 75c rate we have had only $7500 to operate a $9000 plus budget.

With the new rate of $1.00 per resident member from each of the churches as an 80 percent response we would have $9600 for budget needs.

Brotherhood Report

Brotherhood work has undergone a great change during this past year, with the new organization and emphasis placed upon the work of the churches in evangelism, stewardship, missions and boys. Our Associational Brotherhood, and our Church Brotherhoods have been reorganized on this new set-up, and we feel that we have made great strides during the past year.

The Associational Brotherhood Officers met four times during the year to plan the work and help the church Brotherhoods. This year, for the first time, we had two Associational Brotherhood Meetings; at Colerain Church last November when "Foreign Missions" was presented to more than 120 laymen and at Creeksville Church in January, when "Christian Witnessing" was demonstrated.

Every Brotherhood has four "Leaders"; Christian Witness, Personal Stewardship, World Missions, and Royal Ambassador. These "Leaders" take turns in presenting the programs at the meetings. Our next Associational Meeting will be November 19 at St. John Church and the subject will be "Pioneer Missions." At present we have 16 Brotherhoods with 315 men enrolled.

Our Royal Ambassador Work is also changing considerably, with three groups "Crusaders," "Pioneers" and "Ambassadors," and their materials and special literature is being prepared for each group. A clinic for Crusader Counselors was held this fall at the Lewiston Church. This past summer we had two weeks of Royal Ambassador Camps at Mount Gould, under the leadership of Lee Roy Campbell and his assistants. At present we have 42 Royal Ambassador Chapters in 23 churches with an enrollment of 323.

A large number of our men attended the Region I Brotherhood Conference at the Rocky Hock Church in the Chowan Association in April. The testimony of Leon Martin, our incoming Brotherhood president, was an outstanding feature of the program.

We urge every church to start a Brotherhood and R. A. Program, and our officers are ready to assist in any way possible. Call on us.

David Holloman

Training Union Report

The significant factor in the Training Union effort in the Association this past year has to do more with the quality of the programs and the response of the people.

The numbers of those engaged in Training Union in the local churches is smaller than last year. But the response of the people to the various Association-wide training sessions was better.

Training Union sponsored the following efforts this year: The Church Officers and Teachers Clinic was held in October in Rich Square. This Clinic was well attended for this type of meeting and an excellent faculty was provided. The Fall Youth Night was held at the Harrellsville Church where an unusually large group of the Association's Youth were inspired by a Baptist Student at Duke University who spent his summer working in a youth camp in Europe. "M" Night was held in Ahoskie in December at the First Church and our attendance soared even over the more than 500 of the year before. The emphasis of "M" Night was on the Forward Program of Church Finance. Rev. Bill King of Hamilton, and Rev. Donnie Hardison of Robersonville brought messages growing out of their own experiences in using the Forward Program in their churches.

Training Union Group Schools were held in March at Edgewood Chapel, Aulander, Christian Harbor and Roberts Chapel. Again the people responded with better than average attendance. Later in the month of March the Association Speech Tournament was held at the Ashlev's Grove Baptist church with the best response from the churches yet in the area of speech training.

The Spring meeting of the Associations Youth was held in April at Woodland. Mrs. Daisy Lou Mixon of Chowan College took our youth with her on a trip to the Holy Land by way of color slides and an interesting sharing of her experiences there.

We still long for the day when all of our churches will see the values of Training Union and will start and maintain strong Unions. We can only continue working in this direction, relying on the Lord to lead.

We do not usually single out individuals for praise, but I feel that I must call the attention of the Association to the very significant leadership Dr. Edgar McKnight of Chowan College has exercised as our Youth Leader for the past two years. We are grateful for his able assistance.

For the coming year Brother Don Dunlap will be leading our Association's Training Union effort. I trust that each one will give him the same cooperation and support that has been given me for the last three years. Let us rally together and help him to lead the Training Union to greater service this year.

REPORT TO THE ASSOCIATION BAPTIST CHILDREN HOMES—1962

Building a better tomorrow has always been the dedicated concern of the Baptist Children's Homes of North Carolina. Today's children will become the adults who shape tomorrow's world. *NO* task is more important than helping a child, hurt by life, to grow into healthy, well-adjusted, responsible citizenship.

Each child who comes to the Children's Homes is different, with a different need to be met and a different problem to be solved. It is the responsibility of the Homes to find the best solution possible. For many years that meant providing food, clothing and shelter for orphans. Today the need has changed. Today our work is with children who for various reasons have lost the security of home and parents.

During the past year, 848 boys and girls were served by the Baptist Children's Homes. In addition to those already in care, applications were received for the admission of 646 other children. We had space and money sufficient to admit 170 of these —leaving 476 for whom no room was available. Provision should be made immediately to expand greatly our foster home program to meet the needs of these children. This can be done through an increased Thanksgiving Offering.

Increasingly, your Homes are being called upon to serve children who are disturbed and emotionally ill. In addition to traditional types of child care, there is a growing need for specialized supervision and services. It is hoped that a step can be taken, within the year, to begin to provide, on a small

scale, such services at the North Carolina Medical Center at Chapel Hill.

Financial support this year has come from the following sources:

Cooperative Program—33 Per Cent
Thanksgiving Offering—30 Per Cent
Once-a-Month Offering—16 Per Cent
All Other—21 Per Cent

For the first time, income to the Children's Homes through the Cooperative Program exceeds that of the Thanksgiving Offering. This source of income meets one third of our operating budget and is greatly appreciated. At the same time, the Thanksgiving Offering continues to be vital to our existence, providing 30 per cent of income. We sorely need an increase of one hundred thousand dollars through the Thanksgiving Offering this year. This would enable us to provide a Christian home and care for an additional 125 children.

We owe a debt of deep gratitude to our friends whose genuine concern for the welfare of our children makes this help possible—especially our Baptist people. You have afforded hundreds of boys and girls opportunities and privileges which they otherwise could not have had.

Charity and Children, our official publication, which this year celebrated its 75th anniversary of service to North Carolina Baptists, continues to grow in popularity and circulation. Each week 55,000 copies are sent to churches and individual subscribers throughout the state and beyond. You are invited to be among these readers and thus stay informed of our child care ministry and other denominational endeavors throughout the year.

REPORT ON EVANGELISM

Someone has said, "Two things make our age unique. It is the age of total revolution, and it is the age of terrible urgency."

If this is a total revolution, then it means that it will sweep the entire world in its onslaught. This certainly provokes a terrible urgency. This is not another crisis. The world has had numbers of these. This is total revolution, and it can only be met with any degree of success with total dedication, on our part, to our Lord and Saviour, Jesus Christ.

The past is behind us and the future is before us. What can we do in a practical way to meet this present threat? Evangelism offers us a commendable contribution through our local church, our association, and our Convention.

IMPORTANT MEETINGS AND PROGRAMS:

Our associational clinic on evangelism will be held November 5 at Kelford Baptist Church. All pastors and associational officers should attend, along with the teachers and officers of all church organizations.

Soul-Winning Commitment Day, January 6, 1963. We must train soul-winners by using "The Guide for Training Christian Witnesses" — pastor's edition — (which will be mailed free to every pastor on November 15, 1962, by the Training Union Department). Also, "Learning to Witness" to be ordered along with Sunday School quarterlies from the Sunday School Board, Nashville, Tennessee.

February 11-13, 1963, State-wide Evangelistic Conference, Greensboro. Every church would do well to consider sending its pastor to this spiritually refreshing conference. Lay people should attend too.

July 2-4, 1963 Convention-wide Evangelistic Conference, Dallas, Texas. Many people are praying and planning for this to be the greatest conference on evangelism ever held among Southern Baptists.

All things point up the need for full committal to Christ in His redemptive purpose NOW . . . . Nothing less than this will be enough. In fact nothing less than this has ever been enough.

Music Report

Music and Religion have always been closely associated. Wherever there are churches we find Music. It's effectiveness depends largely upon the manner and degree in which it is used. Today people of our nation possess an interest *in* and knowledge *of* music more geniune and sincere than at any previous time in our history. I believe that is particularly true in our own Association. There is vast potential here and our people are hungry for good music. It is increasingly evident that music plays an important part in American life. Our churches must therefore keep pace by adopting a program of church music education which will compare favorably with the better music outside the churches. Sacred music must always have as great appeal as secular music. God deserves only the best in worship, music, praise and testimony.

The second week in February was the date set this year for our Associational School of Music. Mr. Robert Sutter, of Oxford First Church, was our guest director for the week. Miss Elaine Evans, Mrs. William Lawrence, Mr. and Mrs. L. C. Pinnix, were other members of the School Faculty. Fourteen churches were represented and on Thursday Evening a reception was given for all those who attended in the Social Room of the Ahoskie First Church.

In July, Mrs. William Lawrence, our Associate Director, was again a member of the Faculty at Caswell during Music Week.

The Music program as promoted by Southern Baptists is designed to meet the needs of all the churches regardless of size. Therefore, any church can have a music ministry. A progressive music ministry contributes to the development of a church that is a singing, happy and prosperous fellowship. It includes all people regardless of age. This type of music ministry results in increased attendance, greater interest, larger financial contributions and deeper spirituality. It utilizes the talents of young and old alike.

In our Associational School of Music and our Hymn Festivals we not only worship God, but we learn to teach, inspire and challenge others to do the same.

It is my earnest desire that music become one of the most powerful forces in each of our churches for it contributes to the spiritual development of its members and the winning of the lost to Christ.

Mrs. William Timberlake

How The West Chowan Association Came To Be

1. The Kehukee Association was organized November 9, 1769 (according to Paschall). Sandy Run (then called Bertie was the only West Chowan church in the organization.

2. In 1806, the Kehukee was divided at the Roanoke River, North of the River in North Carolina became the Chowan Association. The following West Chowan churches were in the new organization: Ahoskie, Sandy Run, Bethlehem, Cashie, Meherrin, Ross (then called Ross' Meeting House), Colerain (then called Wiccacon).

3. In 1883 the Chowan Association divided at the Chowan River and the three counties between the Chowan and Roanoke Rivers became the West Chowan Association. Twenty-eight churches formed the Association.

The Kehukee was probably the fourth Baptist Association in America. The Philadelphia formed in 1707 was the first; the Charleston (S. C.) in 1751; the Sandy Creek (around Sanford) in 1758, and the Kehukee in 1769.

Report Of The Secretary Of Promotion

Your Secretary of Promotion has been very busy this year, doing the ma and great varieties of his duties and responsibilities, which include helping Associational organizations to promote their phase of the work, and helping churches in any way in which he could be helpful. These have included stu courses, committee meetings, ordination services, surveys, mission institut business meetings, and private counseling.

The highlight of the year was our Schools of Missions in which 54 our churches participated, including the study of the Home Mission books, a hearing addresses from our 50 visiting missionaries. REPORT ON CHOWAN COLLEGE

Chowan College, the second oldest of the seven institutions of higher e cation supported by the Baptists of North Carolina, began the 1963-64 acad ic year with its largest student enrollment and faculty in the history of college. Eight hundred and eighty-six full-time students, plus an additional in evening classes and 42 in the Roanoke Rapids Extension, brings the t student population to 967 this semester. Students come from 73 of the counties in North Carolina.

These students are being served by a faculty of 44 persons who give t full attention to instruction. In terms of gradute degrees, experience, and c tinued graduate study, it is the best qualified faculty in the history of Cho College. During the summer of 1963, 18 of our faculty were away doing a tional graduate study. At present, three of the top faculty members are leave of absence, pursuing work toward the completion of Ph.D. degrees outstanding graduate schools.

Academically, the student who maintains a good record at Chowan has difficulty in transferring credits to a senior college of his choosing. Our gra ates have consistently maintained good records at those four-year institution which they have transferred. One of our graduates who received his B. A Wake Forest College in June was granted a Woodrow Wilson Scholarship is working toward his Ph.D. at Princeton.

While seeking to be the best college possible academically, Chowan tinues in its tradition of seeking to provide for and to enhance the spiri growth and service of students and faculty alike. The college maintains a time chaplain-counselor on its staff. He is responsible for co-ordinating ligious activities on campus and is available for counsel to both students faculty. In addition to the chapel-assembly periods—held three times week the college conducts an annual Campus Evangelism Week; a Christian F Week or Religious Emphasis Week each spring; and a week of missions emp sis each fall. We are committed to the conviction that the quality of livin more important than mere competence, and that ultimately the human s is more important than the mind.

Approximately 52% of the students at Chowan are Baptists. We could that the percentage were higher. Indeed, first consideration is given to Ba students who make application to the college. None the less, we feel th major share of the responsibility for directing qualified Baptist young peopl Chowan College rests with you in the churches. We challenge you to p more and more of your fine Baptist youth our way.

Nor is the faculty at Chowan lax in its commitment to the Christian fa Each person interviewed for employment at Chowan is asked this quest "Would it be your intention to join or become affiliated with a local ch and become actively engaged in its life, work, and service?" Anyone who not answer "Yes" to this question is not considered further for a positio Chowan. Eighty-two per cent of our faculty are Baptists. The remainder Methodists, Episcopalians, and Presbyterians. In this connection it migh well to point out that the student-edited Chowanoka, the college annual, dedicated this year to a non-Baptist member of the faculty. The dedicatory agraph spoke of his great influence and guidance in helping students t men and women of the highest character.

Other than student income our greatest single source of income is Baptist State Convention of North Carolina. For the fiscal year ending June 1963, we received from the Convention $121,630.29. Of this sum $54,00 went for operating expenses. Approximately $67,630.29 went into Capital Fu Just over $15,000.00 of this latter figure came through the Christian Ed tion Advance program. Individual churches designated some $15,698.0 Chowan College during the last fiscal year. This represents an increas $2,000.00 over the year preceding. Fifty-four of the 60 churches in the

owan Association gave $9,323.19 this year, as against $8,194.71 a year ago. ith 100 students coming to Chowan from the territory of this association, is means the churches gave $93.29 per student from this association last ar.

Your generous support of Chowan—along with with that of your fellow ptists throughout the state—continues to make advance possible in the way physical accomodations, student growth, and financial obligations. A lovely w 216-bed dormitory for men was completed in September of this year. A mmodious classroom building is to be ready for use early in 1964. Chowan w has an athletic field, equipped to take care of increased attendance at hletic contests. A new entrance to the campus and a lovely driveway around have just been constructed, each made possible through gifts from friends of e college.

During the current fiscal year, Chowan is operating on a $1,000,000.00 dget. Our payroll for the present year is in excess of $420,000.00 Ninety-two rsons are on the regular payroll of the college. Plant and facilities evaluation w stands at approximately $3,000,000.00.

Respectfully,

Bruce E. Whitaker, President

Report On Baptist Hospital

Jesus Christ, during his earthly ministry, carried on a three-fold ministry preaching, teaching, and healing. The Christian Church is an extension of at ministry on earth today. Each Christian is a part of that three-fold minis- y. The Baptists of North Carolina are carrying out this ministry in many aces and many ways. We are doing it in a most dramatic and effective way our Baptist Hospital. We have the opportunity to carry on this ministry in ultiplied thousands of people who are sick in body, mind and spirit, and who me to our hospital for help. Through the skilled and dedicated hands of our ctors, nurses, chaplains, and many others we carry on this ministry. This is ministry to the whole person, as we join hands with those who give the mir- le drugs of healing, who use the delicate instruments of surgery and treat- nt, who bring messages of peace and hope to the mind and spirit, and who the hundreds of other tasks necessary to carry on the operation of a great dical Center.

The number of those who receive the services of our Hospital this year ll be greater than the population of one of our medium-sized cities, such Goldsboro. Most of them will be seriously ill and referred by their family ysicians because they need the specialized care available only in such a ge medical center. They will come from all parts of the state and from all lks of life.

Many of those who come cannot pay to receive the care they need. The ther's Day Fund, which is provided by our special offerings or by an item in r church budgets designated for the Hospital, is the means through which e is provided for those who cannot pay for it. The $176,000 which the Hos- al receives from the Cooperative Program must go to help pay for buildings, rchase equipment, and support the Department of Pastoral Care.

During the period January 1-October 1, 1963, the Hospital received from r churches of the West Chowan Association, as Mother s Day Offerings, ,872.89. Fifty-three of our 60 churches sent offerings to the Hospital during s period.

We are most grateful to all who have shared and continue to share in this st worthy ministry through the Mother's Day Offerings, and in other ways. e urge all our people to support this much needed ministry in even greated ys and degrees.

Report For The American Bible Society

Founded 147 years ago, the American Bible Society is truly one of th oldest missionary societies in America. More than fifty-five denominations a now represented in its Advisory Council. The American Bible Society acts a major agency for all of our Churches in conducting—without comment profit—a world-wide program which includes: translation, publication, distri bution, and encouragement of reading and use of the Bible and Scripture m terials.

Through the concerted efforts of the Bible Societies worldwide, millions extra scriptures will be produced in hundreds of languages and dialects. Reco nizing the tremendous need of a greater knowledge and understanding of th Scriptures throughout the world today, a **Forward Advance** program has be adopted with the slogan "God's Word For A New Age."

The American Bible Society, in 1962, distributed 31½ million copies the Scriptures. Goal for 1966 has been established at 75 million. This mea 43½ million more copies within a four-year period for the American Bib Society alone.

There is much work to be accomplished by our pastors, missionarie church and Sunday School workers. Many missionaries are totally depende on American Bible Society publications, and God's word must be read.

Would you or your church not be more than willing to assist financially supporting such a worthwhile Christian cause by forwarding a small gift to th American Bible Society, 440 Park Avenue, South, New York 16, New York, du ing this Church year. You can help others "grow in grace and in knowledge f our Lord and Savious Jesus Christ."

The Report Of The N. C. Baptist Foundation, Inc.

Since July, 1962, the North Carolina Baptist Foundation has establish an office in the Baptist Building with a full-time Executive Secretary and secr tarial help. This is the first time in the history of the Foundation that it h engaged in full-time emphases. The activities of the Executive Secretary ha been varied. One of the purposes of the Board of Directors has been to car the message of the services offered by the Foundation to as many associatio as possible; into as many churches as possible; and to as many individuals he has had the opportunity. These contacts have been quite stimulating and remains to be seen what results will accrue from these contacts.

On June 30, 1962, we reported to you that the assets of the Foundati amounted to $303,186.66. The assets of the North Carolina Baptist Foundati as of June 30, 1963, were $324,256.39. Since the close of business last ye in June, 1962, the Foundation has technically in its control two estates rather large size. The estate of R. Sterling Graves amounts to approximate $440,000. The estate of T. F. Pettus is in the neighborhood of $110,000. Bo of these estates are in the hands of the trustees of the estates and for all pra tical purposes they will be turned over to the Foundation in the very ne future. These two estates will push our assets to over $870,000. The Bapt Foundation has emphasized the fact over and over again that it exists to ser ALL Baptists. Those who have relatively small amounts of money, perso property or other real assets, will find the Foundation is just as anxious serve them as it is to serve the larger estates. It is a fundamental belief of t Directors of the Foundation that the Foundation exists to serve ALL Baptist

1963 Report To The Associations Of he Biblical Recorder And Other Baptist Literature

The BIBLICAL RECORDER has literally grown up with North Carolina ptists and the State Convention that they support. The Convention was or- nized in 1830 at Greenville and only three years later in 1833 the BIBLICAL ECORDER made its first appearance. It has been in business ever since rengthening and undergirding all that Baptists of this state love and support. s the Convention has grown, the RECORDER has grown in influence and cir- lation. Today it has more than 80,000 subscribers, the largest in its 130-year story.

In its long history, the RECORDER has been a valuable instrument of mmunication among Baptists. This is so important today as tensions arise. here must be a place where Baptists can come together in a common meeting ace. The RECORDER provides this meeting place each week. When people low, they respond. When they are not informed properly and accurately, they come victims of rumors and misinformation.

Churches which already have clubs know the value of the RECORDER. But proximately half of our churches have no RECORDER subscribers except e pastor and Sunday School superintendent who receive the paper compli- entary. As an incentive to churches to organize new clubs, the RECORDER is fering a two-months' bonus plan. Simply stated, members of a new club can ceive the RECORDER 14 months for the price of only 12 months. For only .50, in clubs of four or more, new subscribers can receive the RECORDER r 14 months the first year. After that period, we believe these new readers ll want the paper to continue indefinitely. Pastors and Sunday School superin- ndents are urged to take the initiative in organizing a new club.

Even better than this bonus plan is the Every Family Plan which sends the ECORDER to every family in your church for only 4 cents a week, per fam- . This is a small investment with tremendous dividends.

The RECORDER staff is at the service of North Carolina Baptists. It is dicated to all that is strengthening the Baptist witness in this state and ound the world. We believe it is worthy of your support and prayers.

Sincerely,
J. Marse Grant

History Of The Woman's Missionary Society Of The West Chowan Association

ON ITS 69TH ANNIVERSARY

The year 1963 brings to us another era in the history of the Woman's Mi sionary Society of the West Chowan Association, for it was in 1894, 69 yea ago, that the first W.M.S. was organized at Ahoskie. (There may be questio about this.) Now this action was not ni accord with the wishes of the me

Miss Grace Brown was elected Vice-President.

The women met one afternoon of the Sessions of the Annual West Chowa Association. No records of the work done by the presidents who served fro 1894 to 1899 can be traced.

In 1899 there were twenty Woman's Missionary Societies and the wome felt that the work had grown enough to have a separate day of meeting, he again they met opposition. The men said the women could not possibly carr on a program for an entire day. Nevertheless, the women chose a day of mee ing on their own. Here again there are no minutes available of work accon plished by the presidents who served until 1910, when Miss Elizabeth Park became President.

The Cashie W.M.S. was the first to be recorded in the minutes of the We Chowan Association.

In 1911 there were 1,015 members.

In 1914 there were 44 W.M.S., contributing $1,890.92.

By 1915 our gifts had grown to $3,241.98. This was the year we bega supportinig Miss Pearl Johnson, a missionary to China, and Mrs. R. L. Bolto was Superintendent. In 1920 Miss Una White became the Superintendent. S served over ten years, the longest service of any Superintendent. During h tenure of office the West Chowan Association led the State in Mission Stu Classes. A W.M.S. was organized in every church, totaling 58.

In 1924 the Louisville Training School Scholarship of $225.00 was esta lished but discontinued a few years later to be reestablished in 1941 by M C. W. Jones, who was the Training School Chairman.

Martha Faille of Charlotte was the first student to use this fund. The were no applicants from the West Chowan Association and she was reco mended by the Executive Secretary of the W.M.U. of the State. Gwendol Ward and John Long were the first students from our Association to recei the Training School Scholarship, which later became the Pearl Johnson Schola ship.

In 1928 the Woman's Missionary Societies contributed $13,462.18. (Th was to all objects.)

By 1937 we lost some Societies. Our membership decreased as well as o gifts.

Then came a big red letter year, 1944, when the 50th Anniversary w celebrated. Mrs. W. E. White was the Superintendent.

Mrs. Julian Porter was Superintendent when in 1948 we had 1,816 me bers with 12 A-1 Societies.

After the death of Miss Pearl Johnson on December 11, 1952, Mrs. R. Gordon, Missionary to the Phillipines was selected in 1953 to receive the su port of $2,050.00, which is now known as the Gordon Salary. This same ye a resolution was presented by Mrs. C. W. Jones and adopted by the Assoc tion, "that the Pearl Johnson Memorial Scholarship of $500.00 be used as general Christian Education fund for a worthy student attending a Bapt

hool and planning to do definite Christian work.' Many fine students have ed scholarship and there are two young ladies at Chowan College this year.

Between the years 1949 and 1953 two new churches were born in the est Chowan Association. Immediately the women got busy and organized a .M.S. in each of these churches, as well as reviving the ones that had been st in the past years, making a total of 60. Again a W.M.S. in every church. rs. Carlton Cherry was serving as Superintendent.

In 1957 Mrs. Bruce Lassiter was Superintendent and our membership was 636, with gifts amounting to $17,225.53.

Last year, 1962, Mrs. Cecil Lowe was Superintendent and we had 2,467. embers, 60 W.M.S. contributing $24,575.12, and for the past three years we ve been an Honor W.M.S.

We have not made great strides in our work in the West Chowan Associa- n, but we have grown; however, not as much as we desired.

It is impossible to tell the full story of the work accomplished by each of e presidents in this brief history as many of our records are not available e know each President made a great contribution to our work and we are ateful.

Through the years our methods have greatly changed, but the basic pur- se has remained the same, for the motto in 1903 was, "All from God, all for d, whose I am and whom I serve."

In 1962-1963 the watchword is, "That the world through Him might be ved."

Now as we turn our eyes from the past and look toward the years to come, ose who have served in the past would perhaps say to us, "Be conscious of e challenge that awaits us. Be conscious that our faith, our prayers, our time, r talents and our energies must be united if we are to accomplish the task of king the name of Christ known around the World."

Certainly, on this, the 69th Anniversaryr of the Woman's Missionary So- ty we owe a debt of gratitude to those who have led us so diligently, joy- lly and prayerfully in the past. They have left us a priceless heritage, a heri- e filled with love and concern for all people. There were twenty-one past esidents, if our records are correct, eleven of them are living, continuing to e encouragement and inspiration.

Brotherhood Report To The Association

"When the Brotherhood began in 1907 as the Layman's Missionary Mov ment, its purpose was to stimulate the zeal and activity of laymen to a mo thorough consecration of their time, prayer, and means to the glory of God woldwide evangelism. A prime object of the movement was the entistment men in the affairs of Christ's kingdom. It was a systematic effort on the pa of those laymen who had a constraining vision to bring the great mass of la men face to face with their religious obligation. It was an appeal to laym from the standpoint of laymen. It urged men to pray daily, study diligentl plan wisely, serve zealously, and give generously that the kingdom of Chri might prosper . . . "

"However, the heart of the Brotherhood work has always been missio and missionary education. Thus, in recent years it has turned more to its orig nal objectives, so that now it carries the responsibility for missionary educ tion for boys, young men, and men. Such education seeks to develop a Chris like concern for all peoples, an intimate knowledge of how Christian fello ship is being extended at home and abroad, and a hearty participation in efforts to enlarge this fellowship of Christian faith until it covers the earth

Howse, W. L. and Thomason, W. O., **A Church Organized and Functionin** Convention Press, Nashville, 1963, Pp. 91-92.

Brotherhood leadership in North Carolina has set forth a program which designed to develop a strong missionary movement of Baptist laymen. They li to think of the Brotherhood as "the missionary arm of the church." A defini program of missionary education for men and boys is underway in the ass ciational and church Brotherhoods. Already, some are engaged in practic missionary activities. These activities involve the enlistment of men and bo already on the church roll, in witnessing to the lost, and giving of their tim talent, and possessions through the church. Activities are a necessary part the missionary education program for men because men learn more about m sion when they are involved in missions. In other words, men learn by doir Thus, some Brotherhoods are working with the migrant farm laborers, men prison, and men on probation. At least, some Brotherhoods are serving t deaf people by seeing that the church provides a Sunday School class and w ship opportunities for them. The men provide transportation to and from t services for the deaf. These are mere samples of missionary activities whi men can and are doing in the church community and association.

Last year, several North Carolina laymen shared their witness on t missionary fields of Ohio. These men came back with a new interest in the m sionary opportunities of Southern Baptists.

J. David Taylor, President of the State Brotherhood Conference, parti pated in the New Life Movement in the Philippine Islands and in Japan. will urge men to become personally involved in World Missions.

In July, 1964, laymen from North Carolina will have opportunity to p ticipate in Baptist Missions in North Dakota, Washington, Oregon, and Ca fornia. They will join with 1,500 Baptist laymen from all states of the Sou ern Baptist Convention for the great West Coast Laymen's Crusade.

In North Carolina, 1,450 Brotherhoods, with an enrollment of 35,000, a 2,000 Royal Ambassador Chapters, with an enrollment of 25,000, provide vast reservoir of strength to be used for world evangelization. Still, in Bapt churches of North Carolina, there are approximately 200,000 men and equa as many boys who are not enlisted. This is a tragic waste of manpower. T fact is an indictment against everything our churches have proposed as me ods for calling church members to mature, dedicated service for Christ Lord.

There will be hope for world evangelization as long as there are men a boys in our churches who organize themselves for the purpose of becoming formed about world needs, and who are willing to become personally involv in World Missions. The opportunity to go into the fields for Christ, for m

n, has passed; however, they can still pray and give that others may go. rough the Royal Ambassalor program men can provide missionary educa- n for boys. From this host of boys which are in our churches today, will ne the men missionaries of tomorrow. If men fail at the point of providing the boys now, the future struggle for world evangelization is already lost.

"Rise up, O men of God!
His Kingdom tarries long;
Bring in the day of Brotherhood
And end the night of wrong."

Training Union Report

The Digest of Church Letters shows that while the number of churches h Training Unions decreased by one during the past year, from 34 to 33, al enrollment in these Unions increased by 16 members, from 2123 to 2139. w Training Unions were organized at the Mars Hill and Sandy Run Churches.

The Associational "M" Night was held Monday, December 3rd, 1962, at Aulander Church. A filmstrip entitled "Next Door to the World" was wn, which presented the theme of world missions for the Baptist Jubilee vance for 1963. Dr. Garland A. Hendricks of Southeastern Baptist Theologi- Seminary brought an outstanding address on the decline of young people ering the ministry and challenged those present to do something about it.

As to attendance, 24 churches were represented. The total number pres- was 518, which included 18 Training Union Directors and 13 pastors. The rch was filled to overflowing. The attendance banner, based on actual nber present, was won by Green's Cross Church with 87 attending. The ban-, based on percentage of attendance and distance travelled, was won by bert's Chapel with 60 of 74 members present and a distance travelled of 22 es. It is interesting to note that of those present 284, or 54 per cent of the al, came from just four churches. In addition to the two churches already ntioned, they were Askewville and Galatia.

An Associational Youth Night Rally was held in the Woodland Church on urday, April 6th. The program was on the subject of Communism. Those sent were divided into age groups under the guidance of a group leader. h person was given a mimeographed page of questions entitled "Survey of r Knowledge About Communism." The result of the survey showed that rly everyone is lacking in a minimum understanding of this modern threat Christianity. Following the group discussions a Broadman film was shown ich was titled "The Communist Threat." At this Rally 18 churches were resented, and a total of 112 were present.

The Associational Training Union Tournament was held in the Askew- e Church on April 5th, and the Regional Tournament took place in Robert's apel on April 16th. Only a small number of churches were represented, and s year we want to encourage more of our churches to have young people ticipate in these tournaments.

Your Associational Director attended a State Briefing Meeting for all ociational Officers which was held in the First Baptist Church of Winston- em on the afternoon and night of August 30th. The program of work for coming year was presented at this meeting. In particular we want to urge t local churches observe "Baptist Heritage Week" which is included in the endar for April 20th through 24th.

Let me thank those who have generously assisted ini providing leadership our meetings this year. There is a great deal that the Training Union could which is not presently being done. But perhaps the most beneficial change t could take place would be for members in the local congregations to realize t Sunday School and Training Union are not two separate and unrelated ts of a church program. Each is an arm on the body of Christian Education, l each is needed in combination with the other if real progress is to be made the ministry of teaching.

Respectfully submitted,
Donald J. Dunlap
Associational Training Union Director

Report From The Children's Homes

The total contribution from the West Chowan Association beginning Oc ber, 1962 through September, 1963 amounted to $12,517.34. Included in t amount were two clothing sponsorships for children, from Rich Square a Capeharts Church. There has been no food sent in as far as records show.

Churches making monthly contributions from our association are as f lows: Aulander, Capeharts, Christian Harbor, Meherrin, Mount Tabor, a Powellsville.

Fifty churches subscribe to **Charity and Children.**

As of August 31, 1963 there were no children in care at either of c institutions or in foster homes from our association.

There were eight visitors registered to visit at Kennedy Home for Visi tion Day on September 19, 1963, from our association.

To the churches who are not subscribers to **Charity and Children,** and w do not make monthly contributions to the Homes, won't you consider it as y prepare your budgets for the coming year.

If you have the opportunity to visit the Homes, do so, it is wonderful see the work that is going on there.

Report For The American Bible Society

Founded 147 years ago, the American Bible Society is truly one of t oldest missionary societies in America. More than fifty-five denominations a now represented in its Advisory Council. The American Bible Society acts a major agency for all of our Churches in conducting—without comment profit—a worldwide program which includes: translation, publication, dist bution, and encouragement of reading and use of the Bible and Scripture m terials.

Through the concerted efforts of the Bible Societies worldwide, millions extra scriptures will be produced in hundreds of languages and dialects. R ognizing the tremendous need of a greater knowledge and understanding the Scriptures throughout the world today, a **Forward Advance** program h been adopted with the slogan "God's Word For A New Age."

The American Bible Society, in 1962, distributed 31½ million copies the Scripturers. Goal for 1966 has been established at 75 million. This mea 43½ million more copies within a four-year perriod for the American Bi Society alone.

There is much work to be accomplished by our pastors, missionari church and Sunday School workers. Many missionaries are totally depend on American Bible Society publications, and God's word must be read.

Would you or your Church not be more than willing to assist financia in supporting such a worthwhile Christian cause by forwarding a small gift the American Bible Society, 440 Park Avenue, South, New York 16, New Yo during this Church year. You can help others "grow in grace and in knowled for our Lord and Saviour Jesus Christ."

Music Report

There is an unparalleled interest in church music today. Church lead and members throughout the Southern Baptist Convention are vitally interes in developing for their churches a progressive Music Ministry that provi both training and participation. That these churches may establish a stron witness through music, the associational church music program has been veloped—and it is our opportunity and major responsibility for leading in su a program.

In the early spring, our Associate Director, Mrs. William Lawrence v a member of the Choir from our state which toured Europe. You will recall cover of the Biblical Recorder, picturing this choir in the formation of a Cr Mrs. Lawrence also was on the faculty at Caswell during Music Week in Ju Other from our association attended and participated in the music activity

It was my privilege to attend an over night conference in Winston-Sal on August 30th, where information was secured and many plans outlined. is our desire to carry out these plans in the near future. Especially are desirous of having an Associational School of Music.

Many choir directors and interested choir members from West Chow Association attended the Regional Music Clinic at the Tabernacle Bapt Church in Raleigh, September 9-10. This Clinic was sponsored by the Chu Music Department of Baptist Sunday School Board and the State Conventi of N. C., Va., Maryland and Washington, D. C.

Truly a tradition in our Association, which gives joy to the young and alike, are the 5th Sunday Hymn Festivals. These are conducted regularly Bertie, Northampton and Hertford Counties.

Let us help the people to worship God in Music. "Sing unto the Lord a n Song," indeed, but also sing unto the Lord the old, tired and true Hym Anthems and Gospel Songs. Let the voices ring in Praise. Let all the peo sing!

Respectfully submitted,
Mrs. J. A. Fleetwood, Sr.

How The West Chowan Association Came To Be

1. The Kehukee Association was organized November 9, 1769 (according to Paschall). Sandy Run (then called Bertie) was the only West Chowan church in the organization.

2. In 1806, the Kehukee was divided at the Roanoke River. North of the River in North Carolina became the Chowan Association. The following West Chowan churches were in the new organization: Ahoskie, Sandy Run, Bethlehem, Cashie, Meherrin, Ross (then called Ross' Meeting House), Colerain (then called Wiccacon).

3. In 1883 the Chowan Association divided at the Chowan River and the three counties between the Chowan and Roanoke Rivers became the West Chowan Association. Twenty-eight churches formed the Association.

The Kehukee was probably the fourth Baptist Association in America. The Philadelphia formed in 1707 was the first; the Charleston (S. C.) in 1751; the Sandy Creek (around Sanford) in 1758, and the Kehukee in 1769.

Finance Committee Report

FOR THE ASSOCIATIONAL YEAR 1963-1964

Much thought and attention have been given to the finances of the assoc tion during this year. We have had some increase in churches supporting t associational budget on the basis of $1.00 per resident member per year. Y will notice from the Treasurer's Report that our working balance has held very nicely, due to the good balance brought over from last year, that ca about by our Schools of Mission, last year which operated with a profit. T year we have not had the Mission Schools and our finances have fallen behi a little.

Your finance committee had the associational books and records for t year audited and found them in excellent condition; therefore, we want to co mend our treasurer, William Lawrence, for the manner in which he is keepi the records of the association.

A proposed budget has been prepared by the Finance Committee for t year 1964-1965, which was approved by the Executive Committee on October and recommended to the Association. Motion by Parker. Carried.

Report Of The Promotion Committee

The Promotion Committee of the Executive Committee includes in membership the heads of our Associational organizations, such as the Sund School Superintendent, Training Union Director, Woman's Missionary Uni President, Brotherhood President, Director of Music, and the Royal Ambas dor Leader. During the past year, we have discussed ways and means of p moting the work of our organizations, and the work of the Association a whole.

The committee feels that we should only plan and promote those meetir which will have a definite purpose and which will directly help our church And so we have not suggested meetings which were not necessary. It is a our feeling that during the coming year, that we will schedule meetings, much as possible, in the local church, and of such a nature that it will direc help the local church in its problems. We are also hopeful that churches w invite the Association to hold some of its meetings there, so that the lo church can receive the maximum benefits.

The Promotion Committee also suggests that the pastors and Sund School superintendents should be faithful in announcing the Associatio meetings, and to see that they are printed in the church bulletins, and pla on the church bulletin board, so that the members can know of these meetin and can avail themselves of the opportunity to attend.

Respectfully submitted,

Talbert Jackson, chairman

Motion by Jackson. Carried.

Report Of The Missions Committee

The objectives of the Missions Committee of the West Chowan Bapt Association are two-fold:

First: The Missions Committee seeks to encourage every church and in vidual Christian in our Association to participate in the proclamation of t Gospel of Jesus Christ on the local level, and

Second: This Committee strives to aid in the broadening of our missiona vision to the end that we of the West Chowan Association might find our pl

he world-wide cause of Christ and give of ourselves and our means that glorious Gospel might be sent forth to all the world. With these objectives ind, we are happy to present the following report.

The work of the Missions Committee is divided into three areas, Rest or sing Homes, Prisons and Pioneer Missions.

1. **REST OR NURSING HOMES.** During the past year worship services been held every Monday evening at the Pine Forest Rest Home in Pote- In addition to these regular services, many of our churches have provided ial worship services and programs of entertainment for the residents of home.

A Sunday School Class is conducted each Sunday morning at Hill's Rest ie in Woodland. This work, as well as that at Pine Forest, has been going or several years.

New work was begun this year at the Roanoke-Chowan Rest Home in Rich are, by the Rich Square Baptist Church, Rev. Fred King, Pastor. Worship ices are held each Sunday morning. We express our sincere appreciation to Rich Square Church and Bro. King for providing this much needed service.

The Cashie Baptist Church participates in interdenominational work being ied on in the Windsor Nursing Home.

Reports from these Homes indicate that all who are physically able attend y service. We solicite the prayerful support of the Association for the mis- work being done in this area.

2. **PRISON WORK.**

(1) **Odom.** In February of this year regular Sunday morning worship ices were begun at Odom prison. Rev. Floyd Key, pastor of the Lasker and ksville Churches, who has served for several years as part-time Chaplin ering counseling to individual prisoners, now proclaims the message of s Christ each Lord's Day. Thus far there have been 86 professions of faith is our maximum security prison. (Counseling on Saturday.)

(2) **Union.** Regular Sunday Morning Worship Services were begun this April at the Union Prison, a camp used primarily for teenage offenders. Chairman of the Missions Committee conducts these services immediately wing the Sunday School Class sponsored by the Young Men's Bible Class of Ahoskie Baptist Church. Twenty-four professions of faith have been re- ed. (Counseling on Tuesday evening.)

(3) **Windsor** Bro. J. N. Baggett, a layman of the Siloam Church, con- s services each Sunday afternoon at the Windsor prison, and reports that response has been most gratifying.

The W. M. U.'s of Menola, Murfreesboro, Woodland, Capeharts and Union rches have contributed Bibles for distribution among the prisoners. Per- l contributions have been received from Miss Elsie Brown ($75.00) of hington, D. C., and Miss Stella Lea (55 Bibles) of Greensboro, N. C. One- lred and six Bibles have been distributed, many of them to men and boys had never before owned one.

Please continue to pray for the work being done in these prisons. Only the it of Almighty God can change and re-habilitate the soul of a fallen man.

3. **PIONEER MISSIONS.** We are happy to report that the churches in our ociation have given tremendous support to the advancement of God's King- through Pioneer Mission work.

(1) Last October the Ashley's Grove and Menola Churches gave their be- d pastor, Rev. Ector Hamrick, who was called to Pioneer Mission work in mbus, Indiana. Love offerings from the Executive Committee and the As-

sociation Meeting in support of Bro. Hamrick's move to this field tota $169.64.

(2) In July, Bro. J. N. Baggett of the Siloam Church participated in West Coast Laymen's Crusade, and Bro. Ross Pruden of the Potecasi Chu participated in a Laymen's Revival in London, Kentucky. Both of these l laymen were used in a mighty way to witness and proclaim the Gospel of Je Christ.

In response to an invitation to be a part of the West Coast Laym Crusade, the Greens Cross, Conway, Galatia, Murfreesboro, Siloam, Woodla Republican, Bethel, Aulander, Center Grove, Creech Memorial, Betha Lasker, Buckhorn, Creeksville, Edgewood Chapel, Potecasi, Meherrin and H Grove Churches and Rev. E. Len Weston, contributed a total of $365.42, mak it possible for us not only to send Bro. Baggett to the West Coast but alsc pay Bro. Pruden's expenses to and from Kentucky.

(3) Two of our churches, Ahoskie First and Severn, sent their past Rev. Isaac Terrell and Rev. John Dean, to conduct revivals on Pioneer Miss Fields in North Dakota. We commend these Churches for sending their d cated servants of God to aid in the growth of the Kingdom of God in these ar

Survey Committee Report

The Survey Committee of the West Chowan Association met three ti during the year. At these meetings various problems relating to pastor-chu relations were discussed. Especially noted were the problems resulting fr inadequate salaries paid pastors, and little or no allowance made for car expe and other items necessary for a pastor to do his work effectively. A study made to compare the churches of the West Chowan with other associations North Carolina. However, the information needed was not available so study is inconclusive at the present time. Also discussed at some length w the problems resulting from churches entering a full time program before t are financially able to pay their pastor an adequate salary.

Report On Chowan College

West Chowan Baptist Association

October 27, 1964

Dr. Bruce E. Whitaker, President

My heart is filled today with gratitude to God, to my Christian friends and orkers at Chowan College, and especially to the churches and members of West Chowan Baptist Association. This Association by virtue of the loca- of Chowan College, and for many other reasons, is closer to our beloved wan College than is any other Association in the State.

I want you to know that we at Chowan College are appreciative of the ers, genuine good will, and financial support which we receive from ches and individuals of the Association. Last year from churches of the t Chowan we received $7,110.23 in designated gifts from your churches; ng the preceding year we received $9,323.19, but the difference was made y the fact that some of our larger churches, including Ahoskie First, sent gifts early in the preceding year. Normally, we receive approximately 00.00 annually from the churches of the West Chowan.

This year we are serving the largest number of students in the history of college. For the record, I want to give you the enrollment figures since , the year of the re-opening, as follows: 1949, 87; 1950, 136; 1951, 82; , 159; 1953, 170; 1954, 214; 1955, 213; 1956, 235; 1957, 299; 1958, 422; , 453; 1960, 585; 1961, 685; 1962, 1963, 886; 1964, 1,137. Also for the rd, I want to give you the Operating Budgets for corresponding years and that, in large part because of the support of churches and individuals in area, during each of my more than seven years with the college we have able to operate in the black: 1949, $98,000.00; 1950, $140,000.00; 1951, ,000.00; 1952, $190,000.00; 1953, $192,000.00; 1954, $195,000.00; 1955, 000.00; 1956, $250,000.00; 1957, $290,000.00; 1958, $350,000.00; 1959, 000.00; 1960, $510,000.00; 1961, $640,000.00; 1962, $790,000.00; 1963, 00,000.00; 1964; $1,260,000.00.

Our great need now is for additional buildings and equipment, especially w library. Therefore, in the brief time afforded me I cannot help but men- the two proposals involving each of our seven colleges which will be ght as recommendations by the General Board to the Baptist State Conven- in session at Greensboro, November 10-12, 1964.

There is a tendency among us to think of "crisis" in terms of "someone "; or, "some place else," far removed from where we live and work. We er looking on the "brighter side" of any issue. So it is that we take pride ıe giant steps which have been made toward the best possible Christian ation in our Baptist Colleges. This we have done with a great measure of fication. This we ought to have done.

But what interpretation shall we give for these giant steps of advance in stian higher education? How shall we explain them? Look at the record moment. Ten years ago the total enrollment of our seven Baptist colleges 5,039. This year that enrollment will approximate 11,000. Ten years ago otal number of faculty and staff personnel in our colleges was 509. Today number is over 850. Ten years ago our colleges graduated a total of 8 persons. In June 1965 some 2,000 young people will receive degrees from seven colleges. In 1954 the total property value of our Baptist colleges was 400,000.00. Today that property value is in excess of $50,000,000.00

To be more specific, let's take Chowan College. Ten years ago the enroll- t of regular students at Chowan was 227. Today it is 1,137—almost a 500% ease! Ten years ago our teaching faculty numbered 21. Today it numbers n 1954-55 a total of 67 students graduated from Chowan College. In June , that number will be approximately 200. Ten years ago our property value

was $450,000.00 Today it is in excess of $4,000,000.00.

Great achievement? Yes! But the point is this: our record of mushroomi growth is evidence of the manner in which North Carolina Baptists—throu their seven Baptist Colleges—have been caught up in the crisis in higher educ tion. "Crisis" is not "out there" somewhere. It is right here in our midst. O own Baptist sons and daughters, who are seeking admission to our colleges ever increasing numbers, are a part of this crisis. And this brings it close home.

Has the crisis passed? Have we met it adequately? Can we afford to re on our laurels of achievement? Look at the record again. Chowan College r ceived applications from over 1,100 persons for admission to the freshm class this year. Approximately 400 of these could not be accepted. Each of o other colleges experiences something of the same kind of situation. Though v have just completed a 200-bed dormitory for women, 37 women are living off-campus housing, owned by the college. We are presently in need of a librar to cost in excess of $500,000.00 Our science facilities need to be expanded. A administration building, a fine arts building, and a chapel could be put to u now, if we only had them. Each of our other six colleges could present som thing of the same kind of needs in terms of expanded physical facilities. Befo Chowan College had completed the processing of applications for 1964-65, v began receiving applications for 1965-66! More and more of our Baptist you people will be asking for the opportunity of education in our colleges. The cris will be heightened, not diminished.

How shall we meet this situation, this growing crisis? We thank Go continually, for North Carolina Baptists and for the manner in which they a supporting their colleges. Our record in this respect is one which is envied b many. Moreover, our State Convention is not unmindful of this crisis abo which I have been speaking. Those who have been duly selected and elected leaders in the enterprises with which Baptists are concerned have turned the attention increasingly to the work being done by our colleges. As our Gener Secretary-Treasurer, our Council on Christian Education, and the General Boar of the Baptist State Convention have studied the current situation in our co leges and have projected the needs for the future, two proposals have been re ommended by them; proposals aimed at the strengthening of our colleges no and for the future. The State Convention will act upon these recommendatio at the session in Greensboro, November 10-12.

First, it is recommended that the Constitution of our Convention be amen ed to permit up to 25% of the members of our Boards of Trustees to be selecte without regard to geographical location or denominational affiliation. The i dividual Boards of Trustees would submit the names of persons comprising th 25% to the Convention's Committee on Nominations. The Committee and/ the Convention would reserve the right to reject any, or all, such nominees.

Second, it is recommended that our seven colleges—at their discretion—b permitted to participate in the provisions of the Higher Education Facilities A of 1963. Basically, this law provides for government grants of up to 1/3 th construction cost of certain types of academic facilities. The grant is offered o the basis of "services rendered" to the national health, education, and welfar by such facilities.

There was a time when our colleges served the geographical regions i which they are located. They still do. But their service and influence extend fa beyond those narrow geographical limits now. There was a time when th alumni of our colleges returned to spend their days in that region in which the had been attracted to "their" school. Today alumni are scattered throughou the nation and the world. There was a time when we did not need to look t foundations and other corporations for support. Today we court the favor such private sources of income, because we must if we are to survive. Ther was a day when Baptists did not take as strong an interest in education as w now take. Today the Convention and the Colleges are in agreement that eac exists for the strengthening of the other. It shall always be so. The propose

ndment with regard to Trustees takes wise and realistic account of all e factors in the attempt to strengthen our program of education.

Baptists are a people of the "free church" tradition. We have consistently ntained that there is a sphere of activity which belongs, properly, to the ernment; that there is a sphere of activity which belongs, properly, to the rches. Moreover, we have maintained that neither is to dictate to the other o how he is to operate within his own legitimate sphere. We do not propose enounce this principle! But what about those spheres where each has its timate interest? What about a national emergency, when government issues ll for help? Which would be the greater sin: to accept a grant for "services dered" to the national welfare, with the accompanying guarantee of no ral control; or, rejecting such grants, to turn hundreds of students to wedly secular institutions of learning, because we lack the facilities with ch to teach and train them?

The government also guarantees that colleges and universities participating his program shall in no way be subject to any government control: "No artment, agency, officer, or employee of the United States shall, under ority of this Act, exercise any direction, supervision, or control over, or ose any requirements or conditions with respect to, the personnel, curricu-, methods of instruction, or administration of any educational institution," is Section 407 of Public Law 88-204 which enacts this Higher Education gram.

In 1958 the Convention's Committee of 25 recommended approval of ts, grants, or aids," from the federal government on the basis of "services dered." This recommendation is now a part of the Constitution of our Con-tion. Most of our colleges have participated in loan programs. Some have ived grants for particular types of research. Our Baptist Hospital will re-e approximately $8,000,000.00 in federal grants for long-range construction poses. The recommendation to participate in the provisions of the Higher cation Facilities Act is but an extension to the colleges of a program already ffect at other levels.

The next ten years of Christian Higher Education among North Carolina tists can be as exciting and progressive as the last ten. But only if we have faith and foresight to rise to the challenges which confront us. "Crisis" can l "opportunity." It's up to us!

Again, I express appreciation and gratitude to you in behalf of the Chowan ege Family. I want to remind you that A History Of Chowan College, co-nored by Edgar V. McKnight and Oscar Creech is available from the college, price of $5.00 postpaid. We have made available a complimentary copy to church library within the Association.

God Bless You and thank you all.

We are especially grateful for the sincere co-operation of our Moderato Dr. Raleigh Parker, and the other associational officers and members of t Steering Committee, and for the members of the whole Executive Committe

We feel that there has been a strengthening of the ties that bind o

rts together in Christian love, and that we are indeed "co-workers with ·ist and one another." It is our aim to make these ties stronger during the ıing year, as we seek to carry out the Lord's will. Please continue to pray Mrs. Stough and me, and let us know when we can be of help to you.

Training Union Report

Since it was not possible to get a digest of church letters prior to mak this report, no statistical survey can be made for the Training Union during past year. However, such information will be made available by the time minute books are printed; and those who wish to may study the reports c tained therein. This information, of course, is only part of such a report as t and likely not the most important.

Training Union generally has never really prospered in our churches cause the typical church member does not consider it as vital as the Sun School. It would make a considerable difference in our church life if we co come to understand that Sunday School and Training Union are both a funct of Christian Education, and both are equally important. It would also h Training Union if we could be more creative and imaginative in dealing w a specific program.

The highlight of the Associational Training Union year is usually the " Night program. This was especially true of the one held on Monday, Decem 2, 1963, at the Conway Baptist Church. At this meeting the program of w for the coming year was presented along with a filmstrip on the same subj Special music was sung by the Conway Grammar School Glee Club, which c sisted of eighty voices. Messages were brought by Miss Lina Christopher a Mr. Elbert Felton, both sophomores at East Carolina College, who had atten the Sixth Baptist Youth World Conference in Beirut, Lebanon, the preced summer. They were introduced by the Rev. Dwight Fickling, BSU Director the college, who also gave some information on student work.

Attendance at this meeting exceeded all expectations. There were churches represented. Training Union Directors numbered 15, pastors 14, a visitors 42. Total attendance was 806, which was 288 more than in 1962. T was also the largest increase recorded in the state, and probably the larg associational meeting in the history of the West Chowan. The attendance b ner for the largest number present went to the Conway Church, and the atte ance banner for the largest percentage present went to the Green's Cr Church.

Unlike last year the Training Union of the Association has had a Yo Director for 1964 in the person of the Rev. J. D. Wyatt, pastor of the Bethleh and Brantley's Grove churches. He planned the Associational Youth Ni program which was held at the Mars Hill Church on Saturday night, March 2 A timely and serious subject was discussed, "Youth Looks at Alcohol," alc with the showing of a film dealing with the same problem. At this meeting churches were represented with 16 pastors present. Total attendance was 1

The Associational Training Union Tournament was held in the St. Joh Church on Friday night, April 17th. Seven juniors participated in the Mem Work, three intermediates in the Sword Drill, one young person in the spe ing, and three adults in the Bible Reading. At this tournament 12 churc were represented, and 102 were in attendance.

Your Associational Director also served as the Regional Director for a One, and this meeting was held at the First Baptist Church in Edenton on M day afternoon and night, April 27th. We were pleased that a goodly num of West Chowan participants were successful in advancing in the tourname Sam H. O-Neal of the Raleigh office was present to discuss changes that a taking place in the Training Union. The State Director, James P. Morg says, "In five years you won't recognize the Training Union compared to w it now is."

Let me take this opportunity to thank those who have assisted in the w of the Training Union Department. There has been a large number, and oft they traveled many miles to carry out their assignments. Let me also take t opportunity to ask for your prayers and support for the Rev. Jim Sherli

Report From The Brotherhood

Two meetings were held this past year in our Associational Brotherhood rk: last November at the Galatia Church, and last March at the Center ve Church. At the Galatia Church, after a splendid meal, there was a pro- m by three Church Brotherhoods: the Lewiston men gave a program on ewardship"; the Center Grove Church discussed "The Christian Home"; the Colerain Church talked about "Christian Citizenship." These were ussion groups, and was interesting and helpful in what was said by these nen.

The Center Grove meeting featured "Evangelism," and after a talk by the ident, Leon Martin, there was a challenging message brought by Harvey L. pedge on "Christian Living." This meeting was in preparation for the ultaneous Revivals in our Association. The Center Grove Brotherhood also ved a meal for the visiting laymen.

The work of the Brotherhood is the work of the church in its four main nes: Christian Witnessing, Personal Stewardship, World Missions, and ng People (Royal Ambassadors). Every church should have a Brotherhood a means of getting the men enlisted and serving in these four areas of istian Work. At present we have only 16 Brotherhoods, but plans are ıg made this year to help laymen organize Brotherhoods in their churches.

A Brotherhood should not be organized, unless the laymen see a need for and will voluntarily and enthusiastically carry on the Brotherhood work, where this is done, the whole church is blessed and strengthened. Our new ident, Melvin Overton, Rt. 1, Ahoskie, will be glad to come to any church help the laymen to start and maintain a Brotherhood.

Our Associational Brotherhood also supports the Royal Ambassador Work er the leadership of Lee Roy Campbell, who will give a separate report.

Report On The Biblical Recorder

We have reached the day when the Christian Witness is sorely needed

great influence on Baptist thought.

The West Chowan Association is considered one of the best associations
the percentage of churches with active Recorder Clubs and Every-Fam
Plans. Fifty of the sixty churches have a Recorder Club or an Every-Fam

a special service. The total number of subscriptions in the Association is 1
including the pastors and superintendents.

The information and inspiration that these 1,328 copies of the Recor

Martin of Norfolk, Virginia, past president of Southern Baptist Woman's Missionary Union, delivered an address, reminding the women of the achievements of the past but urging them never to forget the challenge of the present and the hopes for the future to go **forward** as Christians.

The meeting adjourned with a luncheon served in the school cafeteria.

In the program for the day was printed this paragraph: "In the closing of this Jubilee year we are aware of the triple focus on Baptist life, retrospect -prospect—expect—yesterday—today—tomorrow. We are aware of the vital influence of Woman's Missionary Union in the church as a whole, especially through the Education of our Youth and because of that we honor our Pastors today. Our hearts are filled with praise and thanksgiving for them and we undergird their work with our prayers.

Report Of Resolutions Committee

The program of this our 82nd annual Associational Meeting has been we planned and balanced in its presentation of the Lord's work in and among ou churches. The messengers and presentations have been instructive, informati and inspirational.

Therefore be it resolved that we express our sincere appreciation to th committee on order of business for the careful and serious planning of th program agenda.

Be it further resolved that we express to our Moderator, Dr. Raleig Parker, our appreciation for his year of work as our leader, climaxing in h presiding over the sessions of this annual meeting.

Be it further resolved, that we express our gratitude to all who have pa ticipated in the program by bringing messages, serving on committees, makir reports, or bringing worshipful music.

Be it also resolved, that we express our thanks to the host churches f these days. We commend the Colerain and Galatia churches for the skill a grace with which they have been our hosts. We are grateful to the pasto committees and members of these churches for food and hospitality which ha

nhanced the spiritual purposes of our meetings.

Be it further resolved, that we the messengers of the churches seek to arry home and share with our churches all the spiritual values and encouragement we have received of God in the fellowship of these sessions.

Be it resolved that we call upon all our people to be more thoughtful to ray for our sister churches and lend encouragement to one another between ur annual meetings, ever seeking to deepen and strengthen the fellowship mong us in the work of Christ. We also declare our intentions to pray daily or our Associational leaders and officers that they may be used for God to ring all our churches to greater kingdom service.

This is the year of national election in the United States. We will on November 3rd elect the President of the United States to serve us for the next our years. Other leaders in the nation and state are to be elected also. The ght to vote is a cherished privilege. As Christians we are responsible citizens f our land.

Therefore, be it resolved that we urge the people of our churches to exercise their privilege and responsibility to vote in the November 3rd elections.

Be it further resolved that we call upon the people of our churches to pray or healing of those broken relationships which have resulted from racial rife and political controversy in our nation. We would confess our inner rife and dischord to God and pray for grace to exercise Christian honesty and ve one with another without regard to social, political or racial differences.

We resolve to become more unselfish and more concerned for our neighbors home and abroad; to demonstrate by word and deed our missionary responsility for our world.

How The West Chowan Association Came To Be

1. The Kehukee Association was organized November 9, 1769 (according to Paschall). Sand Run (then called Bertie) was the only West Chowan church in the organization.

2. In 1806, the Kehukee was divided at the Roanoke River. North of the River in Nort Carolina became the Chowan Association. The following West Chowan churches were in th new organization: Ahoskie, Sandy Run, Bethlehem, Cashie, Meherrin, Ross (then calle Ross' Meeting House), Colerain (then called Wiccacon).

3. In 1883 the Chowan Association divided at the Chowan River and the three counties b tween the Chowan and Roanoke Rivers became the West Chowan Association. Twenty-eigh churches formed the Association.

The Kehukee was probably the fourth Baptist Association in America. The Philadelph formed in 1707 was the first; the Charleston (S. C.) in 1751; the Sandy Creek (arour Sanford) in 1758, and the Kehukee in 1769.

Report of the Executive Committee

The Executive Committee of the West Chowan Baptist Association h five meetings during the year, November 1964 through October 1965.

The first session was held November 15, 1964, at which time the Exec tive Committee was divided into appropriate sub-committees to carry on phases of Associational work; namely, evangelism, finance, promotion, stewa ship, survey and study, and missions.

The second session was held January 10, 1965, with the Stewardsh Committee, under the chairmanship of Rowland Pruette, in charge of t program. Otis Hagler and Tom Greene, from the Department of Stewardsh of the State Convention, presented the "Tithe—Now" program.

The third session was held April 11, 1965, with the Survey and Stu committee, under the chairmanship of Harold Rumfelt, in charge of t program. A discussion, in the form of a panel, explored the life and work the minister. Dr. Gilbert Stephenson of Pendleton, one of the panelists, spo on the financial support of the minister. He suggested that the Chairman the Executive Committee be empowered to appoint the necessary committe to make a study of the financial needs of the minister and to report th findings to the West Chowan Baptist Association at its meeting in Octob 1965.

The Executive Committee authorized its chairman to appoint two comm tees, one of ministers and one of laymen, to make the study. James O. Shu ing, Chairman, Isaac Terrell and Randolph Phillips compose the committee ministers. Melvin Holmes, Chairman, Gilbert T. Stephenson, and R. P. Mart compose the committee of laymen.

The committees worked separately at first and then came together joint session. Progress reports will be presented at 10:30 o'clock tomorr morning. The work done by these committees, it is hoped, will help t churches to arrive at a clearer understanding of the financial needs of th pastors. So far, no studies of this nature have been made in this state, althou the Baptist State Convention recently appointed a committee of laymen undertake such a study.

The fourth session of the Executive Committee was held July 11, 196 The Missions Committee, with Andrew Lanier as chairman, was in charge the program.

Our Promotional Secretary, Henry W. Stough, told the Executive Co mittee that his son-in-law, Dr. R. C. Henderson, Missionary to Ghana, h invited him and Mrs. Stough to come to Ghana in January, 1966, to share evangelistic efforts during a crusade sponsored by the Foreign Mission Boa

The Executive Committee voted to grant Mr. Stough a leave of absen with pay; and the Missions Committee, believing that the churches of t West Chowan Association would want to share in this effort, set about contact the churches of the Association, mainly through WMU and Brothe hood organizations, to raise funds to pay expenses for Mr. and Mrs. Stough

ke this trip.

So far the sum of $548.50 has been received by the Treasurer of the sociation for this purpose. It is hoped that every church in the Association l share in this effort. The churches will benefit directly through the min-ry of both Mr. and Mrs. Stough when they return to us in March. But, haps, more important, we shall be engaged in missions in a direct way as . Stough witnesses for Christ in Ghana. He will teach for a week in the ana Baptist Seminary, after which he will travel in the Northern part of ana, preaching in villages where the Gospel of Christ has never been heard. will also engage in street meetings and personal work.

This is an opportunity for our churches to share our Associational Mis-nary with a people of another land who need to hear the Gospel Message. our church has not made a contribution to this fund, I hope you will do so nediately. I want to take this opportunity to thank all churches, WMU's, Brotherhoods that have already given. I will be in touch with all the rches in the near future to give you a progress report on the fund.

The fifth session of the Executive Committee was held October 10, 1965. Perry Crouch, Secretary and Treasurer of the State Convention, and John odard, curator of the Baptist Collection at Wake Forest College, were the akers.

The Executive Committee heard a request from the Pastors' Conference he Association that Seminary Extension Classes be set up in the Association. h classes, it was emphasized, would be open not only to ministers but people as well. The Executive Committee voted to recommend to the Asso-ion that a Department of Seminary Extension be set up within the bounds the West Chowan Association and that the Moderator be empowered to oint a committee to administer the work of the classes.

Respectfully submitted,
J. L. Walter Moose, Chairman
Executive Committee
West Chowan Baptist Association

Report of the Missions Committee

The Missions Committee of the West Chowan Baptist Association has tried chieve two goals.

First: This committee has sought to make the Gospel of Jesus Christ lable to every person within the scope of the West Chowan Baptist Associ-n, and Second: The Missions Committee has attempted to challenge every rch and every individual Christian to participate in the sharing of the pel on the local level and to give special attention to the sending forth of message of Christ into all the world. With these objectives in mind, we grateful for the privilege of making the following report.

Basically, the work of the Missions Committee is divided into three areas: or Nursing Homes, Prisons and Pioneer Missions. This year we have added ign Missions to our list of activities.

1. **REST OR NURSING HOMES.** During this past year regular worship ices have been held each week at the Roanoke-Chowan Rest Home in Square, sponsored by the Rich Square Baptist Church with its pastor, Fred King in charge and at the Pine Forest Rest Home, Potecasi, spon-d by the Woodland, Potecasi, Ashley's Grove and Menola Baptist Churches pastors A. H. Lanier, Jr., Dolphon Thompson and Joe Lassiter conducting ices.

The Woodland Church sponsors a Sunday School Class each Sunday at s Rest Home in Woodland, and the Cashie Baptist Church participates in denominal work being carried on in the Windsor Nursing Home.

A combined total of approximately 260 worship services and S. S. Classes been conducted in our Rest and Nursing Homes this year by West Cho-Baptists! This is a record for which we can be justly proud. The people live in each of these homes rejoice that we care enough to share with the message of Gods love. We again ask that you who comprise the West

Chowan Association remember this ministry in your prayers.

2. **PRISON WORK.**

(1) **Odom.** Worship services were held each Sunday morning during past year under the direction of Rev. Floyd Key, former pastor of the Las and Creeksville Churches (until June 1) and Rev. Dolphon Thompson, pas of Potecasi. Rev. Thompson has been appointed by the Missions Dept. of State Convention to succeed Rev. Key as part time Chaplain and Counselo Odom. During the year over 50 professions of faith have been made. Evide of the effectiveness of this ministry is seen in the following example. A having an experience with Christ a prisoner serving a life term indicated Bro. Key that he wanted to do something for someone outside the prison wa Through Bro. Key this prisoner provided clothing for two needy children our association.

(2) **Union.** Worship services were held each Sunday morning during year at Union Prison, a camp used primarily for teen-age offenders. Th services immediately follow a Sunday School Class sponsored by the Yo Men's Bible Class of the First Baptist Church of Ahoskie. The Chairman the Missions Committee also participated in an A. A. meeting each Tues evening and often had the opportunity to counsel with inmates. A Christ Party was held with gifts and refreshments for each inmate. Game and nights were held 9 times during the year. One hundred eighty-six letters w written to families, pastors, prospective employers and former prison Forty-two professions of faith were recorded.

(3) **Windsor.** Brother J. N. Baggett, a layman from the Siloam Chu continues to conduct services each Sunday morning at the Windsor prison. experiences have been rewarding and gratifying.

The Training Unions of the Capeharts and Creech Memorial Churc the Primary Sunday School Department of the Colerain Church, and W.M.U. of the Menola and Murfreesboro Churches have contributed money Bibles (or Bibles) to be distributed to the prisoners. Miss Stella Lea of Gre boro, N. C. contributed 105 Bibles. The Training Union of the Woodland Ba Church provided Christmas gifts for Union inmates. Many other churches individuals have given books, magazines and religious tracts.

Please continue to pray that the spirit of God might use us to share message of Christ in our prisons.

3. **PIONEER MISSIONS.**

(1) Last year this association sent Bro. J. N. Baggett to the West C Layman's Crusade. Upon his return Bro. Baggett showed sildes in many our churches and received a total love offering of $135.00. This amount turned over to the Missions Committee by Bro. Baggett with the request it be sent to the Pacific Beach Baptist Church, Pacific Beach, Washington, Pioneer Mission Church with which Bro. Baggett worked while on the Crus Rev. George E. Reid, pastor of Pacific Beach, wrote that this gift was an ans to prayer. A storm had blown down the trusses to the new church buil and the $135.00 was used to re-erect them. We are grateful to Bro. Bag for his generous and unselfish spirit which made this gift possible.

(2) The Murfreesboro, Ahoskie First, Lewiston First and Woodland (SS Class) Churches continue to make contributions to churches on the Pio Mission field.

Pray that God will continue to bless every effort made in these new fi of service.

4. **FOREIGN MISSIONS.**

(1) Our Secretary of Promotion, Rev. Henry Stough and Mrs. Sto have been invited to participate in a nation-wide evangelistic crusade in Gh where their daughter and son-in-law are now serving as missionaries. invitation offers the entire West Chowan Association a wonderful opportu to be vitally involved in our foreign mission work. The expense involved in an endeavor is prohibitive when one person is asked to bear it, but all o can share in the Ghana Crusade for Christ by sending the Stoughs as our sonal representatives. Every church, WMU and Brotherhood has been aske

tribute to the Stough Mission Fund.

It is our prayer that every church, WMU and Brotherhood will take antage of this marvelous opportunity to undertake something **big** in the ne of our Lord.

The Missions Committee wishes to thank **all** pastors, laymen and churches the wonderful spirit of cooperation you have given our efforts during this t year. We ask that you continue to pray that God will bless and use the dicated Christians of the West Chowan Association in an even greater and re effective manner this year and in all the years to come.

Respectively submitted,
A. H. Lanier, Jr., Chairman
J. N. Baggett, Vice Chairman

Report on Evangelism

I believe that the most important person in the Bible is Jesus Christ, and t the most challenging message is that of Evangelism. Jesus came to seek l to save that which was lost. When he had finished his work on earth, he ; with us the command to go and preach the Gospel to every person in the rld.

To man, Jesus is the most wonderful person of the Bible, but to God, n is the most important creature on earth. Because we believe these things, churches are trying to win souls for God. In order to do a more effective in reaching people, the Association has an Evangelism Committee to enrage and to help the churches anyway that is possible.

This Committee met a few times in the beginning of the Associational r and discussed some things about Evangelism, but no plans were made the year. The Chairman, Robert O. Brown passed out some material that wed the churches and Baptisms for the year 1963-64. Other material was en to the Committee to help show the needs in our Association.

Later in the year our Chairman of Evangelism moved from the Associa- and no more meetings were called to plan any type of work for the render of the year.

Last year, the churches of this Association held 69 revival meetings and 582 additions, of which 293 were for baptism.

I have been asked to serve as Chairman of the Evangelism Committee for year. One meeting has been called, and the Committee decided to plan Evangelism Conference for the Association in the fall of 1966. The Comtee hopes that plans will materialize and that great good will come from Conference.

Respectfully submitted,
Harvey L. Coppedge, Chairman

Report of the Survey and Study Committee

As a sub-division of the Associational Executive Committee the Survey Study Committee has been assigned the task of making such studies of West Chowan Baptist Association that will be helpful to the churches in rying forth their various ministries. On the one hand these studies deal n trends in the churches themselves, and on the other hand these studies te to the social and econimic changes in the three county area of the ociation.

This Committee has met a number of times during the year, and discussions lepth have taken place as the members have tried to understand all the ors which influence our churches. There have been some changes in perel as several of the minister-members have moved to other churches. One hese was the chairman, Harold Rumfelt, whose acceptance of a call to ginia in June made me chairman of this Committee.

At the April 11th meeting of the Executive Committee the Survey and ty Committee was in charge of the program, "The Pastor and His Ministry." per on "The Call and Ordination of the Minister" was presented by Donald

Dunlap. A presentation on "The Minister's Duties and Responsibilities" was given by Randolph Phillips. "Ethics of the Minister and the Church" was the subject discussed by B. C. Akers, Jr. And Dr. Gilbert T. Stephenson spoke on the subject, "The Support of the Minister."

One specific result of this meeting was authorization by the Executive Committee that a detailed study be made of the support of the ministers in this Association, and that this study include comparisons with other Baptist groups, other denominations, and other professions. This followed a recommendation which Dr. Stephenson made in his presentation. A full report on this study will be given tomorrow morning at 10:30 when we meet at the Mt. Hill Church.

The Study and Survey Committee was also involved in bringing about a timely and important conference held at Cashie Church on October 5th. The theme of this meeting was "The Church and Pastor Facing the Changing Community." Speakers at this meeting helped those attending to understand what is taking place in rural America and North Carolina and what the church must do to adapt their ministries to these changes.

Respectfully submitted,
Donald J. Dunlap, Chairman

Report of the Stewardship Committee

The primary concern of your Stewardship Committee for the year just has been the "Tithe . . . now!" campaign. At the Executive Committee meeting on November 15, 1964, the Committee sponsored the program at which time the Rev. Ottis J. Hagler of the State Convention Stewardship and Promotion Division, presented this "Tithe . . . Now!" program as a challenge to the West Chowan Association. At that time the Executive Committee voted to accept a goal for our Association of 4,000 tithers for the coming year. The digest of Church Letters for this annual meeting shows that for the past year we had only 804 tithers. It is hoped that the new financial year will see a sizeable increase.

Pertinent information that your Committee would call to the attention of the churches is as follows:

(1) Nine churches only reported having definite, systematic stewardship emphasis for the past year.

(2) Total gifts to all causes showed some decrease, from $789,756. in 1964 to $752,551. in 1965. However, per capita giving showed an increase from $43.42 in 1964 to $60.30 in 1965. This was possible because of a decrease in Resident Membership from 12,641 to 12, 243.

(3) MISSION GIVING shows an encouraging INCREASE from $156,72 in 1964 to $166,570. in 1965. Per capital mission giving in 1964 was $12 and in 1965 was $13.60.

(4) PASTORS' SALARIES have INCREASED from $181,980. in 1964 to $193,214. in 1965.

Your Committee would encourage each church to give prayerful consideration to the following of more definite programs of stewardship promotion. Each church could use either the "Forward Program of Christian Stewardship" program or the "Growth in Christian Stewardship" program or adapt a program of its own, using these two as suggestive guides.

Respectfully submitted,
Rowland S. Pruette, Chairman

Report of the Promotion Committee

The Promotion Committee met several times during the year to discuss the work of our Association, and the best ways to promote its activities. Several of our members are representatives of our institutions, and as individuals they have represented these institutions before the churches. As a committee we have also made some suggestions to the Executive Committee which were

proved, and have become part of the activities of the Association.

The following suggestions were made, and not only met with the approval the Executive Committee, but some of them have been scheduled on the lendar for 1966. These were:

(1). That every church have a Church Council to plan the work of the urch and to co-ordinate the activities of their organizations.

(2). That the Sunday School workers plan for Group Schools in the fall 1966. These schools are being planned as "Sunday School Enlargement mpaigns" under the direction of the pastors.

(3). That the Association have another School of Music. This has been for January 24-28 at the Askewville Church in 1966.

(4). That the churches be urged to enroll their pastors and ministers of ucation in the Southern Baptist Protection Plan.

(5). That the churches all enter the "Tithe Now!" Stewardship emphasis.

(6). That the Historical Committee be commissioned to write a "History the West Chowan Association." This has been started under the leadership Mrs. Bernice Kelly Harris.

(7). That the history of each host church be read at the Association eting, and then inserted in the "Minutes" with a picture of the church. This s approved, and will be caried out this year.

Respectfully submitted,
David R. Brinkley, Jr., Chairman

Report of the Secretary of Promotion

It has been with great happiness and yet that with a deep sense of responsi-ity that we have laboured with you this year, in going into the churches l presenting the cause of Christ, and assisting in any way possible to engthen the work of the churches, and to make our Associational Work re meaningful.

We are grateful for the consecrated pastors and dedicated laymen who leading our churches, for there are many real and difficult problems to e. Our ministry this past year has increased in the form of counseling with mittees and leaders, and helping to find some answers. Many of our rches have been without pastors, and this has caused extra difficulties.

However, a realistic program has been planned and carried out this year, l we feel that there is a resurgence of an evangelistic and missionary spirit ong our people. This has resulted in an increased interest in, and giving missions; and the conviction that our people should be more dedicated to cause of Christ.

During the year, in addition to innumerable letters, cards and tracts that e sent out, we published and distributed nearly 1,000 bulletins each month "THE WEST CHOWAN BAPTIST." Nearly 23,000 miles were driven in ominational activities. Five hundred forty-two conferences were held with ividuals, groups or committees. We assisted in 5 services to ordain deacons, helped in other special services.

Mrs. Stough and I covet your prayers as we continue to serve the Lord our Association, and wherever He may lead.

Respectfully submitted,
Henry W. Stough

Report of the Civic Action Committee

We as Baptists take great pride, and rightfully so, in the fact that were among the moving forces which insisted that the free exercise of religi be guaranteed for all when our constitution was drafted and adopted. Wit the last several years significant decisions have been handed down by Supreme Court of the United States, which vitally affect these rights. Two which received significant publicity, one was the decision in Schempp Abington School District (274 U.S. 203) and the other was Engel vs Vi (370 U.S. 421). The Schempp case said that the **required** reading of a port of the Bible and the recitation of the Lord's Prayer as a part of a religi exercise, was unconstitutional in that it was an establishing of religion, was prohibited by the First Amendment. Then in Engel vs Vitale, the co said that **required** recitation of a nonsectarian prayer as part of a religi exercise, at a public school was unconstitutional in that it also infringed rights guaranteed under the First Amendment. Yet, the Supreme Court also said that the use of the Bible as a reference work for teaching secu subjects, the study of the Bible for its literary and historic quality, recit historical documents, such as the declaration of Independence, with its erence to God, the singing of officially espoused anthems which include composer's profession of faith in God, and patriotic or ceremonial referen to God, and the reasonable regulation of time and space for the exercise the freedom of religion, all are constitutional and do not infringe upon rig guaranteed under the Constitution of the United States.

However, this question has not been settled, today we have new fed legislation which has been passed and is now the law of the land, but wh because of certain provisions therein seem to seriously challenge, the F and Fourteenth Amendments. There is the Elementary and Secondary Edu tion Act of 1965, which within itself offers much needed financial assista to the growing cost of education within our nation, but within this law th is also provisions which should be examined closely and challenged if necess One is the provision for assisting schools where there is a dual enrollm practice within the school systems in the area, another is the provision ther which makes it possible whereby a teacher paid with public funds could placed in a private or parochial school, within this law there is also a provis for grants for the acquisition of school library resources, textbooks, instr tional equipment. This act also has a provision which requires that "l educational agency must involve persons broadly representative of the cultu and educational resources of the area served," and further reads, "such

ırces include . . . non profit private schools." Therefore, if private intreests not receive the assistance they contend they need, could they not contend ıt they are not realistically involved? Then there is the law which has ently set up the Office of Economic Opportunity and with it the well known ough new "Project Headstart," the purpose of which is declared to provide entive to children in poverty areas so that they can continue their educa- n on an equal footing, where preparation is concerned, with the more tunate. The total cost of this project is to be $84,000,000.00 In order to ıre in this money there must be a local sponsor, this sponsor can be a com- nity agency, local school board, private agency or churches; so far two usand communities have established agencies and received Federal Grants. ese sponsors have been public school boards, private agencies, welfare ncies, several Protestant groups and the Roman Catholics, among the Prot- ants are Presbyterian, Lutherian and Baptist. Many say this is a project to p poverty stricken children between the ages of four and six, which should part of the ministry of the church. Yet, what about the involvement between church and state in the administration of the program along wih the ation of the precedent of a sectarian agency receiving and using Federal nds for a purpose administered by the Federal Government. Today both se laws and several provisions thereof are being challenged in the courts.

If we as Baptists have the right to pride ourselves in the fact that we e part of the moving forces which were influential in the guaranteeing of religious freedoms, then we would challenge you as Baptists to be willing ontinue this same influence where these freedoms are concerned, for there ms today to be a growing school of thought among liberal politicans and ists to believe and say that the constitution as it stands has outlived its fulness. Others are saying that the "general welfare" clause of the constitu- ı should and must be brought into play and emphasized and thus we must e Federal Funds going to church schools and church related social welfare grams, so that the general welfare of all citizens without respect to race, ed, or color can be provided for.

We would propose that we as individual Baptists and as an Association rm our convictions that separation of church and state must continue to a vital part of our precepts and pledge to build for ourselves, a program ose purpose will be first evangelistic in nature with its aim to express a istian witness rather than a program of cooperation of church and state er the guise of serving human need and the common good.

Theme—"The Churches' Concern for Others"

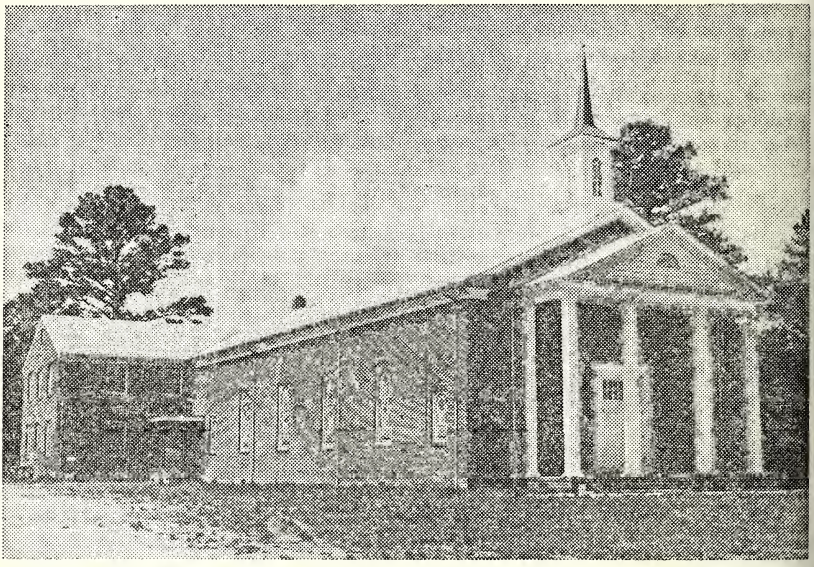
Moderator Moose called the body to order for the afternoon session at 1:30 P. M.

John C. Dean led the congregation in the singing of the hym "O Worship the King." Rev. Paul Weaver led the devotions usi Acts 1:8 and Mark 16:20 as the Scripture thought, after which t congregation was led in prayer by Mr. Weaver.

Moderator Moose presented the Secretary of Promotion, Henry Stough, to conduct a period of "Highlights of the Year in O Churches." Messengers from the following churches made extempo aneous remarks about their church: Severn, Conway, Mt. Carm Rich Square, Jackson, Creech Memorial, Greens Cross, Christian Ha bor, St. John's, Hebron, Harrellsville, and Murfreesboro.

Following these reports Miss Ola Mae Johnson of the Creeksvil Church read the "History of the Creeksville Church."

History of Creeksville Baptist Church



The people of Creeksville Community, led by the Spirit of the Lord, deci to build a public house for workship in 1890. A committee was appointed a one acre of land was purchased for $25. One of the building committee's, Jar G. Lassiter, donated one-half the timber needed for the building and Jo Odom, a carpenter, planned and laid the foundation. Jack Barnes held servi once a month in the "Old Grange" hall that stood nearby and Sunday Sch was held weekly while the building was under construction.

In August 1892 after the frame work had been erected and weather boa ed, a revival with great results was held with the Rev. D. Cale. In October church was organized. In this meeting it was voted to name the church Cree ville Baptist Church and Rev. J. C. Fleetwood presented the Church Covena The membership was 43. Rev. D. Cale was called as pastor and accepted a salary of $75 per year.

In 1900 interior work on the building was completed for about $50 an

elfry was erected.

In 1906 the church was painted and the first carpet was laid in the pulpit ily and additional land was purchased for the church.

In 1912 Rev. D. Cale resigned and Rev. J. W. Downey was called in 1913 id accepted at a salary of $175.

In 1918 two class rooms were added to the church. In the 1900 the church ined the West Chowan Association and also the Bertie Union.

After a new coat of paint was put on in August 1923, Rev. D. Cale, eached a dedication service.

Rev. J. W. Downey resigned in September 1924. Rev. H. G. Bryant supplied id was called December 1924. The church withdrew from the present field and ined Meherrin and Union. Due to ill health Rev. Bryant resigned on Decem- r 5, 1925 and Rev. B. Townsend accepted a unanimous call to the field with salary of $400.

A new piano was needed and purchased in 1926 and also an individual mmunion set.

Rev. Townsend felt it necessary to resign on March 2, 1929 and in the me month Rev. J. M. Duncan preached a trial sermon and was extended a animous call in May 1929 in the same field as Rev. Townsend left it. As e membership of the church had grown it was necessary to add four class oms to the front of the church. Much of the materials were furnished by the embers. The W. M. S. purchased seats for the class rooms and the choir.

Again in 1944 it became necessary to remodel the church, adding new ws and a new carpet. At the end of the year the church was out of debt.

Due to ill health, Rev. J. M. Duncan resigned December 31, 1953. Rev. ncan asked Rev. Jarvis Teague to come and preach a trial sermon. Again e church was remodeled and a new carpet was purchased during the summer.

In January 1954 Rev. Jarvis Teague accepted Creeksville and Meherrin urches. The unified budget system was adopted in April and also the building id for a new church was started. By 1956 pledges and contributions amount- to $3,300 and Rev. Teague worked out a plan, whereas, one Sunday's offer- ; each month was donated to the building fund and a special offering was ken on second Sunday night at worship service.

Rev. Teague felt led to resign in May 1957 to accept Littleton and Enter- se Churches. As Meherrin wanted a full time pastor, Creeksville joined in h Lasker and called Rev. Floyd Key, a student at the Seminary, Wake rest, in September 1957.

In 1958 many plans were made to start work on a new Educational Build- . On June 19, 1960 the first worship service was held in the new building h Dr. Herman Ihley, delivering the dedication sermon and Rev. J. M. Duncan the dedicatory prayer. The notes were burned and the approximate cost the building was $20, 554.58. A special building fund was taken at this eting for the sanctuary which amounted to $1,008.50.

The work on the sanctuary, with Leon Martin, contractor for both build- s, was begun July 1, 1963 and was completed August 1964, with new pews, pit furniture, piano, and carpet, with much of this donated by members friends of the church. The first service was held in the new sanctuary ;ust 2, 1964 and the dedication service held by Rev. Key on August 16, 1964. last sermon was held in the old building on February 23, 1964, by Rev. .

Rev. Floyd Key resigned on June 6, 1965 and Rev. E. L. Reese was called he field to assume his duties on September 1, 1965.

The topic, "The Membership in Our Churches" was given und three headings, viz: "The Orientation of New Members"—Rowla S. Pruette, "The Non-Resident Church Member Enlistment Plan John B. Stephenson and "The Inactive Resident Church Member' Robert E. Lee.

The Orientation of New Members

The appalling number of inactive and non-resident members of our B tist churches (5,060 non-resident members out of 17,309 in the West Chow Association) has shaken us out of our complacency. This has caused us examine our membership with a view to understanding why so many co be inactive, uncommitted members. Our denominational leaders are stron encouraging churches to do a thorough job of instructing new members in faith that we hold as Christians and as Baptists. A better-informed Bapt either young or older, is a better, more committed Baptist.

In the past year or two considerable discussion has gone on as to wh this type of orentation should take place. Some have advocated that it co between profession of faith and baptism; others have insisted that it foll baptism. Some pastors follow the practice of having for their junior and Int mediate age groups classes in instruction as to the meaning of becomin Christian and a church member before any public step is taken. When young people express an interest in Christian discipleship, then they are invi to explore the significance of the Christian way, thus giving them guida in this life-shaping decision. I am inclined to believe this practice to be m helpful, but the timing of the orientation is not so important as having so systematic orientation, enabling new Christians to know more fully what Christian life and church membership must mean.

The importance of Christian commitment is emphasized by the spe attention given it by the pastor or other persons teaching. At least 6 to class sessions should be held, teaching the basic facts of Christian experie including the meaning of salvation, what Jesus Christ does for us, what response of faith is, and how one serves as an effective Christian and chu member. The latter would include some understanding of our church gove ment and practices, our concerns for world missions, and Christian stewards of life and means. It is important to have in the class those of similar age. example, Juniors and Intermediates could not be mixed satisfactorily. Certai Adults would need to be in a separate group from these.

The question of when to hold these classes has been solved in differ ways, depending on the local church's situation and needs. Some set weekly twice a week meetings at designated times apart from regular church m ings. Others, seeing this orientation program as closely related to the chur training efforts, have had sessions during the regular Training Union ho For many new members, attending these orientation sessions sets the patt for later going into the regular Training Union organizations.

Guides useful to pastors or other teachers named by the church for t vital purpose are numerous and helpful. The Southern Baptist Convention recently put out new material that should be utilized. Some of these are:

Basic Christian Beliefs
In Covenant (Adult)
A New Commitment (Young People)
Belonging (Intermediate)
Promises to Keep (Junior)
Definite Decisions for New Church Members (a Pamphlet)

The little book **I Will Follow Jesus** from Judson Press is quite helpful Juniors as they seek to understand the Christian life. Individual pastors wish to prepare their own materials. Whatever guides are used or not u the important thing is that some serious, systematic, thorough study

idance be given in this most vital area of the church's life. If we desire to ve a genuinely regenerate church membership, some such plan must be llowed.

Rowland S. Pruette

he Non-Resident Church Member Enlistment Plan

The Southern Baptist Convention has a "Non-Resident Membership" plan rough the Sunday School Board, known as the "Non-Resident Membership sk." Any church in the Southern Baptist Convention may send any non-sident member's name and address to the "Membership Desk," and these mes will be referred to the Associational Missionary in that area. He in turn ll see that a local church has the name and address of that non-resident mber so the local church may enlist that person in the church fellowship.

Address all correspondence to: Non-Resident Membership Desk, Sunday hool Board, 127 Ninth Avenue North, Nashvillle, Tennessee.

I strongly urge that each church in our Association appoint Committee of ree (3) in each church to deal with the problem of non-resident members our churches.

John B. Stephenson

The congregation stood and sang "The Churches' One Foundation."

Inactive Church Members

What is the answer to our inactive resident church members? We should finitely have them upon our hearts as our Lord does. He died for them . . . ed His blood for them. We should pray for these. We should visit them. We ould never give up, but always seeking to draw them back. Each soul is rth every energy and effort we can give.

But is it not true: the preventive is better than the cure? We should work wards striving to keep those in the church. To begin with church members ould set the right examples. Why should new members remain faithful when leaders and officers of the church refuse to set the right example? When leaders and officers of the church refuse to tithe, go to the Sunday night mid week services; refuse to visit; always running down the other mem-rs, leaders and pastors. What kind of example is this for those trying to live Christ, to follow?

Preachers, we also should preach the Word. Can we blame some people straying away when they're not fed when they do come. It's up to us, as eachers, to present the truth of God to our people. They are hungry for the ple. We need to preach the truths of God's Word.

Yes, we need to pray, visit, and urge inactive resident church members. t the preventive is better than the cure. God's people and preachers need to faithful and loyal. They need to set the Christ-like example for today. May all do our part to strive and help keep members from becoming inactive ident church members.

Report on Baptist Hospital

The N. C. Baptist Hospital in Winston Salem, N. C. is one of the lar medical centers of our nation. Most patients admitted are referred by th physicians, or transferred from general hospitals, for specialized care a treatment.

There are three types of ministry given through and by the hospital:

1. Hospitalization and care of the ill, with the most modern and effici facilities and well trained personnel to give the very best care, in the Intens Care, Regular Care, and Progressive Care units of the hospital.

2. Teaching and Training; through the following:

(1) Bowman Gray Medical School
(2) Baptist Hospital School of Nursing
(3) School of Pastoral Care

3. Research, through grants and other arrangements with various insti tions and organizations.

There are two ways in which the churches of West Chowan Associat participate in the ministry of Baptist Hospital:

1. Through the Cooperative Program. The hospital receives a share of t cooperative dollar to help finance the operation of the hospital and its vari programs and ministries.

2. Through the Mother's Day Offering. The money given through t Mothers' Day Offering in our churches is used to pay part of the actual hospi expenses of those who need the specialized care offered by the hospital and t able to pay for it. The doctors of the hospital give their services free. T Mothers' Day Offering should be above the amount given to the Cooperat Program, for a special ministry to these people.

Our churches are urged to support this ministry of healing in both ways

y giving through the Cooperative Program and through the Mothers' Day ffering on Mothers' Day.

During the year, October 1, 1964-September 30, 1965, churches of the ssociation gave $12,628.37 through Mothers' Day offering.

Committee on Homes for the Aging

The fine cooperating churches of the West Chowan Association have sponded to our need for Homes for Aging.

This year's report began at the Association (meeting last year) with the and spirit of the ladies from the home in Hamilton sharing the day with our essengers. One of the ladies gave testimony regarding the "home" environ- ent, leadership and other residents.

A letter of encouragement about the work was written to each of the urches and your representative has had nice reports from people who have ecial interest in this area of work—the aging.

We encourage our people to keep their interest growing. The Associational view by Rev. Stough has aided in the work.

Thank you for your friendship to these great people of our Homes for geing.

Report for the American Bible Society

The American Bible Society is one of the oldest Missionary societies in nerica, engaged in a world-wide program of scripture translations and publi- tions. Each year, more and more people are reached through this non-profit ssionary effort. In so many countries, our own Baptist missionary efforts e almost totally dependent on publications from the Society.

It is suggested, for the current Church Year, that each church in the est Chowan Baptist Association lend financial support to this cause. A small ount in the Church Budget for this year will add much to our Missionary orts to reach many who have never heard or read God's Word. Gifts may be warded to P. O. Box 2794, Grand Central Station, New York, New York 017. Will you make certain that you help others "grow in grace and in owledge."

Second Day's Session—Wednesday, October 27

Theme—"The Churches Witnessing Through Cooperation"

The Mars Hill Baptist Church entertained the association on t second day.

The organ prelude was by Mrs. H. D. Brown.

The Moderator, Rev. Walter Moose called the second day's sessi

the association to order at ten o'clock.

Rev. Henry W. Stough led the congregation in singing, "Come ıou Almighty King." The devotions were given by Rev. J. D. Wyatt. ıe Scripture read was I Corinthians 3:9, followed by prayer.

Messengers, visitors and fraternal messengers were welcomed by ɔderator, Walter Moose. The Moderator asked all the pastors to ınd; then the visitors; then messengers. As all were seated the Pro-ɔtional Secretary, Rev. Henry W. Stough presented three new ıstors who have been on their respective fields only a short time. ıese were, Rev. Herman Orr, pastor at Powellsville and Center ove; Rev. Harvey Rumfelt, pastor of St. John's and Holly Grove; d Rev. Paul Weaver, pastor of Elm Grove and Wakelon.

The next item on the agenda, "The Baptist State Convention and e Cooperative Program" as they pertain to State Missions, was pre-ıted by Rev. Harold M. White of Raleigh and the Baptist State Con-ntion. Harold is a native of Windsor, N. C. He has served as pastor some of our finest churches in North Carolina.

A period of twenty minutes was given to the discussion, "The Sup-rt of Our Pastors." Those speaking were Mr. Cohen W. Parker on ur Retirement Plans."

Our Retirement Plans

The Annuity Board of the Southern Baptist Convention offers churches l denominational agencies a number of retirement or disability plans for ıisters and employees as well as protection for their families.

1. The Southern Baptist Protection Plan is the basic plan with retirement efits, disability provisions and Widow protection, for which the church s 10% of the ministers salary and the Convention contributes 5%. Limit n $4,000 salary.

2. The Advanced Annuity Plan allows a minister or church to elect to on a larger salary basis for greater retirement income and widow pro-ion.

3. The Life Benefit Plan, inaugurated October 1, 1964, was designed to et the need for supplemental life protection for pastors and denominational ɔloyees. There are more than ten thousand participants. This plan affords tection from ten to thirty thousand dollars for death under age 46 with luated benefits thereafter for dues of $3.34 to $10.00 per month.

4. The Health Benefit Plan is the new all-inclusive program of hospital, gical and major-medical protection. More than 5,000 have applied for pro-ion and the plan began October 1.

It has been said by many annuitants that the checks which come from Annuity Board each month are like "Manna from Heaven." These checks y in size, depending on length of time one was a member and the amount ues paid. Today more than 16, 325 churches are in the Protection Program their Pastors. Approximately 10,000 are paying the total 10% dues. The l number in Annuity Board retirement plans is more than 10,000.

Seven states have 70% or more of the churches in the plans. North Caro-has 46% of the churches in the plans.

Our Association, (The West Chowan) has 70% of its churches participat-in the retirement programs. Fifty-eight percent of the churches are paying full 10% for the pastors protection plan participation. Approximately 12% participating in the old ministers retirement plan; and I remind you that e churches are participating in more than one program, which is entirely aissible and encouraged. You will note that there are only seven states as high a percentage of participants in the retirement program as our

own Association with 70%. The state of N. C. as a whole has only 46% in th plan. To me, this is alarming and no fault of the pastors either.

The Rev. Guy S. Cain is jointly employed by the North Carolina Bapti Convention and the Annuity Board, promoting the total program of protectio in North Carolina as he seeks to enlist pastors, churches and denominationa employees in the programs of the Annuity Board. He also works to help tho who are in the program to better understand the protection they have. H address is 301 Hillsboro Street, Raleigh, N. C.

Progress Report From: The Special Committee on Pastor's Salaries in Conjunction with the Committee of Laymen for Comparative Salary Stud

The following facts are gleaned from the work done on the study pastors' salaries and expenses in the West Chowan Association.

About your Pastor:

1. He tithes (gives 10%) of his total gross income through his loc church, with only 1 exception of the pastors reporting.

2. He drove 17,000 miles last year in behalf of his church. Only 10 60 churches pay any car allowance, but NO church pays an amount adequa to offset the operating expenses of the car.

3. He spent $100.00 for books and journals in keeping with his pastor work.

4. He has spent approximately 7 years beyond high school in prepari himself for the ministry, during which time he had little or no earning pow

5. Several of our pastors' wives work necessarily in order that the fam may be supported, and some several of our pastors must "moonlight" in ord to earn a living.

6. The factor of clothing for the minister is important and expensive, y it is an expense not usually considered at all.

7. There is no justifiable reason to believe that because a minister nee a living income that he is any less dedicated to the Lord or the church.

It is recommended to the Association and moved that:

a. this be accepted as a progress report from this committee

b. the West Chowan Association publish the findings of the joint comm tee at her own expense in order that all our people may be well informed.

Progress Report of Special Committee "Compensation of Ministers"

At the annual meeting of the West Chowan Baptist Association in October 964, a special committee of laymen were elected to study the compensation ministers in the territory of our association. The committee has been engaged research on the compensation of leaders in public life in this area of North arolina, including ministers, doctors, attorneys, educators, businessmen and overnment employees. We have been working deligently in order to present this Association a report based on the facts of life in our part of the State.

We hear a great deal about the compensation of various groups, and we now that much of this is speculation. We believe that the relationship of urch and minister is a serious matter, and deserves responsible attention on ne part of all of us in churches. We respect ministers as men of integrity.

We depend upon our ministers for high level leadership which requires mpetent men who are well trained and who are dedicated to God and man. Ve expect a minister to provide leadership which covers such broad areas of fe as one's personal relationship to God, one's relation's to his fellow-christian nd to non-christians, the place of a church beside other agencies in a commu- ity, setting and maintaining moral standards for the people of a community, ne administration of church affairs, the religious education of children and dults, the interpretation and promotion of world missions, the practice of an's stewardship in God's world, and the proper loyalties of a Christian as tizens of both his country and the Kindgom of God.

The minister of the gospel of the Lord Jesus Christ is more than an aver- ge person or an average citizen. Our churches are seeking and demanding adership of ministers who are far above average in general education, in eaking ability, in managerial qualifications, in capacity to counsel with eople in trouble, to have the courage to stand firmly and speak clearly on the ndamental issues of life, in dedication to their work, and in ability to engage a helpful ministry to all kinds of people. For example, the educational level the average adult in North Carolina is slightly more than eighth grade. The urches of this Association are not willing to settle for pastors who completed ly the eighth grade in school and who never specialized in a study of the ble and church work. Our churches are seeking ministers who are thoroughly epared and who can lead congregations by interpreting the Bible and church rk clearly.

Your committee had to determine some standards for leadership in order be able to understand who are the counterparts of the minister in other eas of life. We decided that persons of comparable leadership characteristics d qualities are the leaders in law (attorneys), medicine (doctors), education chool administrators), business (operators of their own business and man- ers in business), and government (managers and supervisors in different eas of government services to people).

With such factors as these in mind we are securing facts about the cost living of ministers and the compensation of ministers; and about the com- nsation of leaders of comparable competency and responsibility in the fields law, medicine, education, business, and government.

Our study is progressing well, but is not yet complete. We have discovered eresting comparisons and differences. We are more convinced now than were a year ago that all of us will have to confront the facts of life about r support of ministers.

The matter has such serious implications for our churches and our min- ers that your committee recommends that this be considered a progress port, and that the committee be continued for one more year with authoriza- n to continue its research and make specific recommendations at the annual eting of the West Chowan Association in the fall of 1966.

We further recommend that the leaders in each church in the Association ke a serious study of the present support of the ministers in view of what costs him to live and to serve his people, and in view of what the church

expects of him in the way of leadership.

We have discovered that a study of this type is relatively new and t there is little accurate information available to help us. We believe that matter is of concern to all of us, and that we should give it our best think during the coming year. The committee will welcome any pertinent inform tion, ideas, or proposed projects which might be of value to our churches wh we give prayerful attention to the compensation of ministers. We appeal you to think about it, pray about it, discuss it among yourselves, talk to y deacons and members of finance committees, and express yourselves fre and frankly to the members of this committee.

Respectfully submited,
Melvin Holmes, Chairman

Dr. Basden stressed the Foreign Mission Board Your Foreign Mission Board. It is an agency to do the work the Sou ern Baptists churches want it to do. His message included the n for money and missionaries.

Mrs. Bernice Kelly Harris brought a very good message on "T History of the Association."

Writing A History of the Association

Church history: WHY, HOW, WHAT, WHEN? My answers to these qu tions are gleaned from reports of associational historians, from individuals the West Chowan Association (including the current Moderator, Mr. Moo of Wake Forest College, Meredith College and, at least indirectly, from authors of A HISTORY OF CHOWAN COLLEGE because it is a model. John R. Woodard, Jr., Director of the Baptist Historical Collection at W Forest College, has assembled directions needed by church historians. Mary Lynch Johnson of Meredith has made available her history of Emman Baptist Church in Raleigh, a model of church history.

The WHY need not be dwelt on. Through a history the church can be understand itself, get a clearer view of its own identity. It is a ministry t will tend to deepen one's love for his church. The yesterdays of churches sho enrich its todays and tomorrows, so that new generations will profit by exp ences of former years. History may point the way for other churches wh after reading one from a sister church, might say, "We have never done t Why haven't we? Let's!"

Church history is concerned first of all with facts and the sources of fa Among the sources listed in the directions sent out by Mr. Woodard are:

1. Legal papers and records, the covenant of organization, the acquisit of the building site, the deed.

2. Minutes of the church. (Let me digress to say these must be s guarded from wind and fire, most of all from neglect. Mirofilming is av able at Wake Forest College, and churches are urged to use this service.) M churches have valuable minutes, not only because they reflect the thinking church bodies during the past 100 years, but also provide background mate for historical research. Minutes, it is true, often leave out as well as incl important facts. Ups and downs of the church, certain stands taken, votes or against issues current in the various decades, church policies, rules of d

n are important to the record.

Norman W. Cox and Judson B. Allen in their suggestions for the writing church history, printed by the Convention Press in Nashville, wrote: hurches which record only items which are approved rid their minutes of ery trace of division, but at the cost of making them false to the truth as actually happened." They urge history committees of the church to see to that important happenings are recorded, whether they are favorable or not. these omitted details are within the memory of the historian or of the lest members, they may be included in the histories. Sacred history validates is conclusion, or we would not know about the weaknesses of Biblical aracters.

3. Financial records, budgets, balance sheets, treasurers' reports can be lpful and interesting, too, as sources. For example, this item appeared in e minutes of one church in 1856: A member paid four dollars rent on his w, an interesting sidelight on a former method of raising money in a Baptist urch.

4. Reports and records of church organizations—Sunday schools, Vacation ble schools, Training unions, the W. M. U. and Brotherhoods—constitute an cellent source.

5. Church Bulletins and church papers, including the associational Letter, e valuable source material, and files should be kept.

6. Pictures of Pastors of churches and of each of the church buildings om the start need to be kept . . . One source named was a little startling. mbstones. It was suggested that historians read inscriptions in cemeteries r information about members and thus indirectly about records of church rvice.

7. Memoirs, family histories, anniversary addresses and sermons, personal tters, diaries and journals are also suggested as sources. I have excerpts om the diary of a former pastor of this association, given me for whatever e seemed fitting. It is fitting, I believe, for this to be sent to the Baptist llection at Wake Forest for permanent safe-keeping, though its human trest doubtless has more value than the facts recorded.

Human interest may be a part of the WHAT of church histories, as well are the facts gleaned from the various sources mentioned. Emerson said story is biography, and certainly persons who make the statistics, individually d collectively, belong in the record. In this association there may be Grandma ckerys like the one pictured in the Biblical Recorder recently because of a rfect attendance record at the age of 86. There may be cripples who have to e two canes in order to attend church services, as in the Raleigh Associa- n. There may be blind W. M. U. presidents, like the one in Dr. Johnson's tory. There are persons who have become ministers, missionaries, voca- nal church workers, laymen or women with long records of service, authors religious drama like our Moderator, whose PILGRIMAGE OF FREEDOM s presented by Chowan College for the State Y. W. A. at Kinston and for e associational W. M. U. by Chowan College students, the Seaboard W. M. U., . and Mrs. Stough, Mr. Phillips, Mr. Evington, Mr. Lynch and other pastors the West Chowan Association.

There may be a human interest item like the one Dr. Johnson included her history. Her church obtained seats from a Farmville theater, and the d women of Emmanuel scraped off a gallon of chewing gum in order to ke fitting church pews out of them—a revelation of the industry and dedi- ion to tasks of church members.

The WHAT may be memorable days, unique to individual churches, re- ded in sections or chapters as a blend of facts and human interest. There ght be a church that could head a chapter: The Day We Observed Our 200th niversary; or, The Sunday We Broke The Alabaster Box (a memorable day one church of the West Chowan); or, to include the unfavorable as well as favorable, The Day We Lost Our Membership in the Association.

The WHEN is, of course, the point of time the history starts: the back- und surveyed, the month and year the church was organized, the choice of ne and why, the organization meeting, the early beginnings, the growth by

decades and the prospects for the future.

The WHEN to write is Now. It is urged that churches select historian to write their church histories, adding a supplement each year, so that th ministry may enrich our todays and the tomorrows of new generations.

Dr. Bela Udvarnoki of Chowan College had prepared "A Progres Report of Chowan College," however in his absence the Report wa accepted, after which Dr. Bruce E. Whitaker, president of Chowa gave some highlights of the activity on the campus of the college.

Progress Report on Chowan College

The 1965-66 academic session marks the 117th year in Christian educatio for Chowan College, the second oldest of North Carolina's seven Baptist co leges, established in 1848, which has gained a wide reputation for its friend family atmosphere, individual attention, scholastic excellence and Christia spirit. This enterprising, progressive and modern college, whose proven pr grams of Christian college education have stood the test of time, is operatin on a budget of $1,600,000.00 and has a plant evaluation of $4,700,000.00.

Faculty members at Chowan College use Christian emphases as a backdr for academic excellence and render valuable community service whenev possible. Every member of Chowan's faculty and staff is an active chur member and continuous surveys of work in local churches indicate that mo than ninety percent hold responsible positions in churches and communi organizations. These members of the Chowan College Family constantly stri to better their Christian service and, during the past summer, eighteen Chow College professors pursued further graduate study at various colleges, un versities, and theological seminaries throughout the United States and in th Biblical city of Jerusalem.

Chowan College has, in recent years, been the scene of remarkable an tremendous growth, both in quantity and quality, as a Christian college. Phys cal improvements during the past year include a new medical facility, th Penny Infirmary, named after Mrs. Lola Freeman Penny of Raleigh, a form member of the Board of Trustees and a Chowan alumna. The new infirma is two stories high and covers 6,500 square feet. It has staff offices, two e amination rooms, two efficiency apartments, and private rooms as well wards, and is fully air-conditioned. Also, the Columns Building, erected 1851 and long-time center of campus activity, underwent partial renovati during the summer. These additions take their places among nine new, mode structures and to the campus scene under the able leadership of Chow College's President, Dr. Bruce E. Whitaker: two dormitories for men, thr dormitories for women, a three-story classroom building, a new structu housing Chowan's unique School of Graphic Arts and a new cafeteria. Als in addition to the cafeteria, more than doubling its seating capacity, has be completed.

The growth of Chowan College has been carefully planned, using th services of the Long-Range Planning Committee looking into future needs a laying plans for them before they arrive. Also, the Department of Develo ment has helped make possible what the Virginia Electric Power Company h called in national advertising in such outstanding publications as "The Wa Street Journal," "educational renaissance in northeastern North Carolina Besides the many structures and the growth in quality and quantity of Christi education on college level, four new faculty homes have been acquired a more land and property has been added to Chowan College's physical plan During the past ten years, the policy of Chowan College has been that deliberately accelerating growth, but new the policy has become that of "hol ing in," to better prepare for future developments.

The Department of Development and College Relations has been strengt ened in recent months in at least two ways. Mr. Virgil L. McBride, who h served for almost four years as Assistant to the President in Charge of Publ Relations, has moved into the position of Assistant to the President and D rector of Development. Mr. Harvey W. Harris has come with the college

rector of Public Relations, serving with Mr. McBride.

The size of the Chowan College faculty has been increased by five more embers this year than there were last year. Two department chairmen are turning to the faculty at Chowan after pursuing graduate studies for two ears each. Professor L. L. Bishop, Jr., returned to the chairmanship of the epartment of Science and Mathematics, and Professor W. Calvin Dickinson turned to the Chowan campus to become Chairman of the Department of ocial Science, a position to which he was recently elected. Dr. Ella J. Pierce, tter serving for many years with distinction as Chairman of the Department English at Mars Hill College, has become Chairman of the Department of nglish at Chowan. Dr. Bernice Kelly Harris, renowned author, has returned gain to teach her Creative Writing class at Chowan College.

With the help of North Carolina Baptists, Chowan College is making ant steps forward in Christian college education. Because of the location of howan College, and for many other reasons, the West Chowan Baptist Asso- ation is closer to Chowan College than any other Association in the state. howan College's Long-Range Planning Committee continues making sound reparations for the future development of Chowan. The next improvement at Chowan College makes to its physical plant must be construction of a brary-fine arts facility, if Chowan College is to maintain the upward trend it as set in scholastic standings and even its accreditation. Unprecedented growth as strained available facilities to the utmost. The proposed new library-fine rts facility, expected to cost approximately $750,000.00 will seat four hundred tudents in two reading areas and house from 75,000 to 100,000 volumes on its helves. Included will be an antiquities room to house articles of historic in- erest to Chowan College and the Roanoke-Chowan area. Chowan's graduates ontinue to bring honor and prestige to this great and grand old college, here Christian education teaches them not only how to make a living—but ow to live. Individual attention given Chowan students and the friendly mily atmosphere of Chowan College have provided multitudes of young eople through the years with the training and experience and knowledge ey needed to become successful in the venture of life. With Christian concern d commitment as backdrops for scholastic excellence, Chowan College pro- ssors prepare students to make outstanding records in four-year colleges d universities and to become successful men and women in their chosen ofession.

The nation's press has recently given much attention to private two-year lleges like Chowan, because many students, feeling lost in huge and imper- nal surroundings at large universities, have been discouraged and defeated ilures. But they have returned to these same universities after attending lleges like Chowan for two years, made outstanding records, and become ccesses in their chosen professions.

Chowan College registered 1,175 students for the fall semester. The cond term of summer school was attended by 337 students. During the first ssion Chowan served 395 students. An interesting observation, especially to der members of the faculty and staff in terms of service, is the fact that ring the first full year in which Dr. Whitaker served the college as president 957-58), the September enrollment was only 299. In addition to summer hool Chowan had five encampments during the summer, serving a total of proximately 835 children and young people from local Baptist Associations d another weekend encampment involving 275 youths from Petersburg, rginia which was held in the month of August. During the summer of 1966 uly 11-12), Chowan will host the meeting of the General Board of the North rolina Baptist State Convention and its staff on campus.

Although the primary thrust of Chowan is that of liberal arts, courses in aphic arts, nursing. certain courses in business, and civil technology are ted among Chowan's offerings in vocational and technical fields. There are ways many more jobs offered for Chowan's students than there are students fill them, and job recruiting on the Chowan campus has been said to contain ects of both a commando raid and a church picnic.

Chowan's adviser-advisee program, which trains faculty and staff members be counselors to students, has gained wide attention for its successes in king college life meaningful and worthwhile for many young men and

women who, without this proven plan of counseling and Christian conce may have dropped by the wayside and failed in their ventures in life. Wi needs of the student in mind, "progress is our most important product" Chowan College.

Respectfully submitted,
Bela Udvarnoki

The Report on Christian Education was given by Rev. John Davis. Mr. Davis is a member on General Board from the West Ch wan Baptist Association.

He gave, as a part of his report, the following recommendatio from the Report of the Committee of 28 of the Baptist State Conve tion in regard to the support of our colleges.

After careful study and consultation with the Executive Secreta Treasurer and Business Controller of our Convention, the Committee Twenty-eight would like to recommend the following:

1. In the light of the critical needs of our colleges for both current a capital support, the Committee would call on N. C. Baptists to rally to t support of their own colleges now.

2. We recommend in place of a costly state-wide "capital campaign" raise funds for our seven colleges, that the churches of our Convention j enthusiastically in the "Five-Year Program of Spiritual Advance," whi begins January 1, 1966.

This program, in addition to deepening and maturing the spiritual liv of our churches, calls upon each church to increase its gifts through the C operative Program by 2% each year (1966-'71) bringing the Cooperati Program gifts to approximately 10 million dollars by 1971. The colleges fe that the support they receive through the Cooperative Program would adequate and more dependable than campaign-raised funds. Each college being encouraged to intensify its own program or campaign for capital fun

3. We recommend that each church in the Convention give special empha is to the "Christian Education Day" offering, having the choice of disignati their offering to the college of their choice or eltting their total offering divided among the seven colleges.

In the past five years, offerings from Christian Education Day ha amounted to $606,562.00. Because of a renewed interest and enlarged suppo in recent years it has been estimated that these offerings from 1966 to 19 will amount to approximately $725,000.00

4. We recommend that all Convention agencies involved should unite promoting this campaign for the colleges with special intensity during t "Five-year Program of Spiritual Advance."

5. We suggest, in addition to the published report of the Committee 28, that the Stewardship Department, the Council on Christian Education, t Biblical Recorder, and each of the seven Baptist colleges join hands in th task. We especially encourage the publication of a brochure by the Council Christian Education depicting the particular needs of individual colleges a giving some interpretation of their Christian ministries.

Committee of 28,
Jim Cammack, Chairman

The congregation was lifted in heart as Mrs. B. B. Mitchell san "I Am Satisfied With Jesus."

At this point in the program an unusual topic was presented: sermon by Rev. James O. Shurling. Rev. Randolph Phillips read t Scripture, Numbers 11:24-30; Matt. 28:16-20. The sermon topic, "T Church Witnessing and Proclaiming," by Rev. James O. Shurlin pastor of the Aulander Church.

For many years the Association has had only one sermon preach

-called, "The Annual Sermon." Both the messages, 1st by Rev. Ben-ie Pledger of the Colerain Church and 2nd by Rev. James O. Shurling, vere well received.

The Association adjourned for lunch prepared by the people of he Mars Hill Church.

WEDNESDAY AFTERNOON

Theme—"The Association Proclaiming Through Its Organizations

Moderator Walter Moose called the Association to order at 1:30 P. M. for the final session of the West Chowan Baptist Association.

The congregation stood and sang, "Stand Up, Stand Up For Jesus."

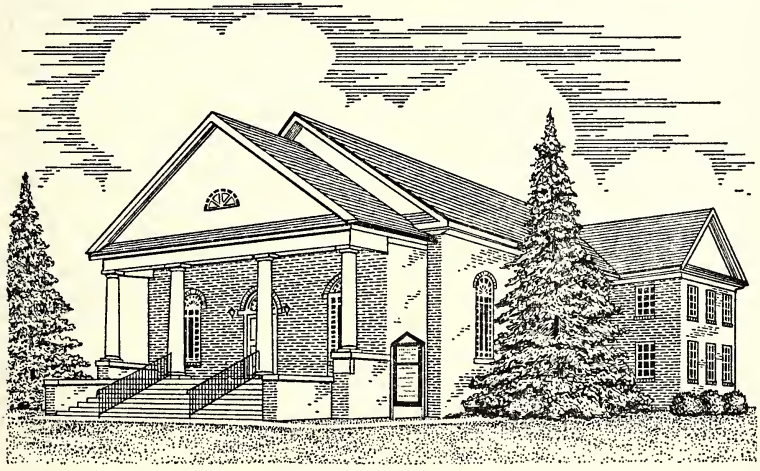
Joseph L. Lassiter had the devotions. The Scripture read was ohn 4:35, 36, followed by prayer.

The Moderator recognized all visitors and fraternal messengers.

Rev. Lowell Sodeman from Baptist Hospital in Winston-Salem poke briefly about the work Baptist Hospital was doing for those vho need its services.

"The History of Mars Hill Baptist Church" was read by Harvey L. Pearce.

A History of Mars Hill Baptist Church



In 1853 in a little village near what is now Trap in Bertie County there vas a meeting of the residents in a school house about one-half mile from he present site of the Mars Hill Baptist Church. The purpose of the meeting vas to pray for God's will in their lives. The prayer meetings lasted for twelve ays under the leadership of the Reverend B. B. Williams. The result of this eries of prayer meetings was the profession of faith of thirty-two persons in he Lord Jesus Christ. Following the meetings there was a baptismal service n which the Reverend John Nowell administered the ordinance of baptism.

A number of members from the Colerain Baptist Church, who lived in he Trap area, decided to take their letters from the Colerain Church, unite vith the people who had been baptized and constitute a new Baptist Church. Vith the assistance of James Delk, Thomas Hoggard, and Moses L. Mizelle a

church was organized on September 29, 1854. It was decided to call the new church "Mars Hill," from Acts 17:22. H. H. Byrum and John A. Green were elected deacons, B. B. Williams was called as pastor, and G. N. Green was appointed clerk.

The Reverend Mr. Williams served the church as pastor until the Civil War, at which time he became a chaplain in the Confederate Army. Without a pastor, the church did not meet regularly, as most of the men of the community were also enlisted in the Confederate Army. Lacking leadership, the church fell into a state of division and disorganization. However, on February 24, 1866, after the war was over, the people met to reorganize the church so that it might again work in peace, union and fellowship.

During the years immediately following the Civil War a number of able men served the church as pastor, including John P. Lee, B. B. Williams, J. C. Fleetwood, Jeremiah Bunch, West Leary, E. L. Vann, John Mitchell, T. G. Wood, and Mr. Woodson. In January, 1887, W. P. Jordan began a ministry that was to last nineteen years.

On February 16, 1903, a destructive storm swept through the community and greatly damaged the church building. A committee was appointed to examine the building and determine the possibility of repairing it for purposes of worship. The committee recommended that the building be moved and a new one erected in its place. The church accepted the recommendation with the condition that the damaged church be repaired and used until a new one could be built. A new building was dedicated on September 29, 1904.

Following Mr. Jordan's long ministry, the following men served the church as pastor during the next thirty-eight years: M. P. Davis, A. T. Howell, T. T. Speight, H. H. Honeycutt, N. H. Shepher, L. E. Daily, D. D. Lewis, W. R. Stephens and A. P. Mustian. The Reverend Mr. Mustian served for a period of eighteen years.

Tragedy struck the church again on June 26, 1940, when the building was completely destroyed by fire. A modern brick building, costing eighteen thousand dollars, was erected. The building was designed by the men of the church. Much material and labor were donated, thus contributing to the small cost of the building.

The Reverend H. C. Thompson became pastor in 1951 and the Mars Hill Church united with the Union Baptist Church in Hertford County to form a field. Mr. Thompson served eight years. A brick parsonage was begun, but before it was finished Mr. Thompson resigned. However, the project was continued, and before a new pastor was called it was completed.

The present pastor, the Reverend C. Earl Haynes, was called in 1960. The church has continued to make progress. A program of full-time service was adopted in 1962, and many improvements have been made to the building. The Mars Hill Baptist Church has lost many of its strong and faithful members in recent years, but it continues to serve its people faithfully, pointing them to the Christ who is the Saviour of the world.

Rev. Walter Brookshire had the "Memorial Service," using several passages of Scripture appropriate for the occasion. He read the names of the deceased from each church, totalling nearly 200, who had been lost from their church rolls during the year.

The following Reports from our organizations in the churches and reports from committees were given as follows:

Sunday School Report

The Sunday School has been called the right arm of the church, and is the strongest ally of the pastor. While its primary function is the teaching of God's word," that is able to make men wise unto salvation," It is the most effective organization of the church for enlisting new people, promoting the stewardship program of the church, and most of all for the winning of men, women, boys and girls to the acceptance of Jesus Christ as Lord and Saviour.

A church or pastor who is not using the Sunday School effectively is for-

feiting one of the most effective tools for the carrying out of the great commission. The Sunday School is one of the areas where we can cooperate as an Association to the mutual benefit of us all.

The Organization of the Sunday School Association is broken down into two groups of officers and units of work. The officers of the entire association and the officers of the county organizations. In some cases these may be the same people however.

Last year the Sunday School Association promoted the following projects: The churches were asked to join together in many group cooperative schools instead of one or two central schools. The following churches are sponsoring schools for their localities: Cashie, Creech Memorial, Capeharts, Lewiston, Potecasi, Colerain, Askewville.

January Bible Study was promoted on an individual basis throughout the Association.

Conferences on an individual church basis was had with workers from the State Sunday School department by the Nursery, Beginners and Primary departments in the day time and at night conferences were held for these departments in groups. This proved a great blessing to the churches that took advantage of it.

A vacation Bible School Clinic was held at the Cashie Church for the workers of the churches that reported Vacation Bible Schools this year. There were three standard schools reported, Galatia, Creech Memorial and Merry Hill.

The major project planned for next year is an association wide Sunday School Enlargement Campaign, led by the pastor of each church. It is hoped that all of our churches will enter wholeheartedly into the campaign. This could easily prove to be the most significant event in our Association next year and reverse many of the downward trends that we have experienced during the past year.

Respectfully submitted,
E. Len Weston
Associational Sunday School Superintendent

Training Union Report

The work of the Training Union ministry in your association is designed to do three things primarily. First, to help establish new unions and to strengthen existing ones within the local church. Second, to present to the local church a co-ordinated program of training in Christian living and service; and third, to provide a continuing source of qualified leadership for the varied services of the local church.

In the past year your training union ministry supported the annual "M" night, Youth Night and other such conferences and clinics as were deemed necessary and helpful. In the coming year it is our hope that the ministry of training will be emphasized in profound ways in each church of our association. Both the state office in Raleigh and the associational leadership stand ready to give assistance to any church in so far as is humanly possible.

Again this year we propose a training union interpretation clinic for every age group on November 23 at the Aulander church. We will be supporting M night on December 6 and Youth night on March 19, 1966 at the Conway Baptist Church.

Training Union for 1966 has a new look. We are anticipating that many of our churches not now having fruitful training union will take a long hard look and then give a real place to Christian training in their churches.

James Owen Shurling

Report From the Brotherhood

The Associational Brotherhood held two meetings this past year. Last November we held our meeting at the Murfreesboro Church. After a delicious

meal and fellowship hour, laymen from Siloam Church, Colerain Church and Galatia Church presented a program on "A Layman Looks At His Church." Special music was furnished by Greens Cross Church.

Colerain Church was host for the meeting in March. The laymen of this church also served a splendid meal for the visiting laymen. The theme of this meeting was "Christian Witnessing In Revival And Prisons." Special music was furnished by laymen of Colerain Church.

Every church should have a Brotherhood as a means of getting the men enlisted and serving in Christian work.

The laymen of Creech Memorial Church, with God's help, saw this need and organized a Brotherhood. Since they organized, they have continued to grow in number. This gives us a total of seventeen Brotherhoods in our Association; but, plans are being made to help laymen organize Brotherhoods in their churches.

A Brotherhood should be organized in every church when the laymen see a need for it, and voluntarily carry on the Brotherhood work.

The whole church is blessed and strengthened when laymen voluntarily give their time and talent for the work of God.

I will be glad to come to any church and render my services to the laymen to start and maintain a Brotherhood.

Respectfully submitted,
Melvin F. Overton, President
Associational Brotherhood

Minutes of the Woman's Missionary Union Auxiliary of the West Chowan Association

The 71st annual meeting of the Woman's Missionary Union, Auxiliary to the West Chowan Association of the North Carolina Southern Baptist Convention was held in the Harrellsville Church with Christian Harbor and Bethlehem churches as co-hosts, on March 25, 1965.

The theme for the day was "Praise The Lord Among The People." Mrs. Robert C. White, president, called the meeting at 10 o'clock and the opening hymn was "Praise Him!" Mrs. Henry Stough set the mood of the meeting with a devotional on "The Song We Sing."

After a gracious welcome by Mrs. B. J. Traywick, Mrs. White recognized the visitors and former associational presidents.

Following reading of minutes of last year's meeting by the secretary, a financial report was given and the treasurer admonished the WMU presidents to see that their various dues were sent in on time.

Mrs. White asked Mrs. C. W. Bridgers of Jackson, Mrs. H. B. Long of Mt. Carmel, and Mrs. Howard Taylor of Buckhorn to serve on the Place Committee. Mrs. Francis Cordrey of Merry Hill, Mrs. A. M. Jenkins of Connaritsa, and Mrs. Gilbert Northcott of Menola were asked to serve on the Resolutions Committee. Mrs. White announced that we were an **Advanced** Organization with **1 honor** WMU—Mrs. Arthur Green was presented the certificate for Ahoskie. Nine societies were presented **Advance certificate** rating. These were Aulander, Colerain, Menola, Winton, Conway, Mt. Carmel, Seaboard, Woodland and Cashie.

Three of our churches, Hebron, Holly Springs and Pleasant Grove, do not have a WMS or any youth organizations.

Information sheets were distributed to all in attendance calling attention to up-coming dates and explanations regarding reports.

Mr. Stough gave plans for a "School of Missions" in 1967. He also informed us that the Brotherhood Mission study material was the same as that of the WMU. Mr. Stough closed his remarks with a plea for our prayers for his daughter and son-in-law in Ghana, Africa, as conditions there seem to

vorsen and become more intolerable for the white race.

Following congregational singing of hymn, "O Worship The King," Rev. B. J. Traywick brought the inspirational message of the morning on "Worship s Vital" stating that "an attitude of life toward God" is the key. Scripture basis was John 4:1-19 and Matthew 4:10.

Special music in song was provided by Mrs. W. R. Phillips of Chowan College. Accompanist was Miss Patricia Vellinese Music Major student. Mrs. Phillips is the daughter of Dr. and Mrs. W. K. McGee of Winston-Salem. Mrs. W. K. McGee of Winston-Salem, former State WMU President, delivered the special message of the morning on "The Ways in Our Minds, The Motivations n Our Hearts."

Before adjourning for lunch, Rev. J. D. Wyatt of Bethlehem Church offered a prayer of Thanksgiving for the meeting and the meal.

AFTERNOON SESSION

At 1 o'clock, the meeting re-assembled and sang "For the Beauty of the Earth," followed by a prayer by Mrs. Robert White.

Elbert Felton, a phychology major from East Carolina College and BSU president there, gave an interesting report on his Baptist World Youth Alliance trip to Lebanon and work with missionaries the past two summers. Of his work as a student missionary in South Korea the summer of 1964, he stated that his experience could be transposed in "Action to Help."

"Arise, O Youth of God" was sung and Mrs. Cecil Lowe read a scripture on stewardship then led in prayer.

Directors of our Youth Organizations, with a representative group from each, gave reports on their groups and Associational camps at Chowan College and at Ridgecrest. One YWA girl from the association attended camp at Florietta.

Mrs. C. W. Bridgers of the Place Committee invited the Associational Meeting to Jackson in 1966 with Mt. Carmel as joint host. Mrs. Francis Cordrey graciously reported for the Resolutions Committee.

Mrs. Eugene Freeman reported for the Nominating Committee, stating that all officers were the same except Sunbeam Director would be Mrs. E. L. Reese, Chorister, Mrs. Francis Cordrey, and Mrs. Harvey Vinson, Organist.

Mrs. Cecil Lowe was asked to take the chair and Mrs. Robert White, by unanimous vote, was re-elected president.

Mrs. White noted that since Rev. and Mrs. Ballard had moved out of the association, we were without a Prayer Chairman. She made a plea for a volunteer for this, the most vital part of our work. Mrs. John Vaughan of Woodland, at the close of the meeting did volunteer to assume this office. Miss Una White led the Prayer of Dedication of the new slate of officers.

Mrs. Carlton Cherry reported that since Freda Britt would be graduating from Campbell College in June, another scholarship would be available for use.

At this time we were favored with special music by Mr. and Mrs. Earl Haynes.

A memorial tribute to Mrs. Sallie Calvert Parker of Jackson was given by Mrs. Bernice Kelly Harris of Seaboard. This was ordered to become a part of our permanent records and copied in our minutes of the day.

As all stood in reverence and gratitude for the gift of Miss Sallie's life, Mrs. Julian Porter offered the closing prayer of the day.

Respectfully submitted,

Mrs. G. R. Hollomon, Sec.

Music Report

Believing that the most effective way to assist the music ministry in th local churches is through a school of music, the associational music committe confined its work to sponsoring such a school last January. A choir worksho was ably conducted by Mr. Jim Brisson, Minister of Music at the First Baptis Church of Clinton, North Carolina. A class in Christian hymnody, led by th Associational Director of Music, was offered for the church members who wer not enrolled in a choir. One hundred twenty-two people from 17 churches a tended the school. With an average attendance of 70, the four night schoo held at the Woodland Church, reached a large portion of the associatio Because of the cooperation of the Music Department of the Baptist State Co vention, the cost of the school to the association was minimal. From ever indication, the school proved to be such a needed and helpful associationa activity that another such school is scheduled for January 24-28, 1966 at th Askewville Church. To the end that our Heavenly Father may be praise through song, you are encouraged to publicize and attend this school of musi

Biblical Recorder Report

In the West Chowan Association there are twelve churches that have the ecorder in their church budgets and their total subscriptions are 1,160. ere are 38 other churches that have Recorder Clubs and Chowan College s a club of 60 subscriptions making 503 subscriptions from these clubs. is makes a total of 1,663 subscriptions in the budget and club plans together. is of interest to note that 12 churches with the Budget—Every Family plan ve more than twice the number of the 39 other clubs and that many of those th the budget plan are the smaller churches, so their leadership deserves mmendation.

There remain ten churches in the Association that are not taking the corder which is one-sixth of them. To have five-sixths of them taking the corder is an excellent record for the Association, the editor reports. The mber of churches using the budget plan and the number having clubs remain e same as last year. However, this report of 1,663 subscriptions represents increase of 335 over our last year's 1,328 subscriptions and reveals good rk in promoting it by church leaders. The ten churches with no Recorder veal a need for more of this good work by pastors and leaders.

How The West Chowan Association Came To Be

1. The Kehukee Association was organized November 9, 1769 (according to Paschall). Sandy Run (then called Bertie) was the only West Chowan church in the organization.

2. In 1806, the Kehukee was divided at the Roanoke River. North of the River in North Carolina became the Chowan Association. The following West Chowan churches were in the new organization: Ahoskie, Sandy Run, Bethlehem, Cashie, Meherrin, Ross (then called Ross' Meeting House), Colerain (then called Wiccacon).

3. In 1883 the Chowan Association divided at the Chowan River and the three counties between the Chowan and Roanoke Rivers became the West Chowan Association. Twenty-eight churches formed the Association.

The Kehukee was probably the fourth Baptist Association in America. The Philadelphia formed in 1707 was the first; the Charleston (S. C.) in 1751; the Sandy Creek (around Sanford) in 1758, and the Kehukee in 1769.
